ANNUAL PUBLICATION OF THE CADET CORPS

AUGUSTA MILITARY ACADEMY

FORT DEFIANCE, VIRGINIA

HISTORY OF THE SCHOOL

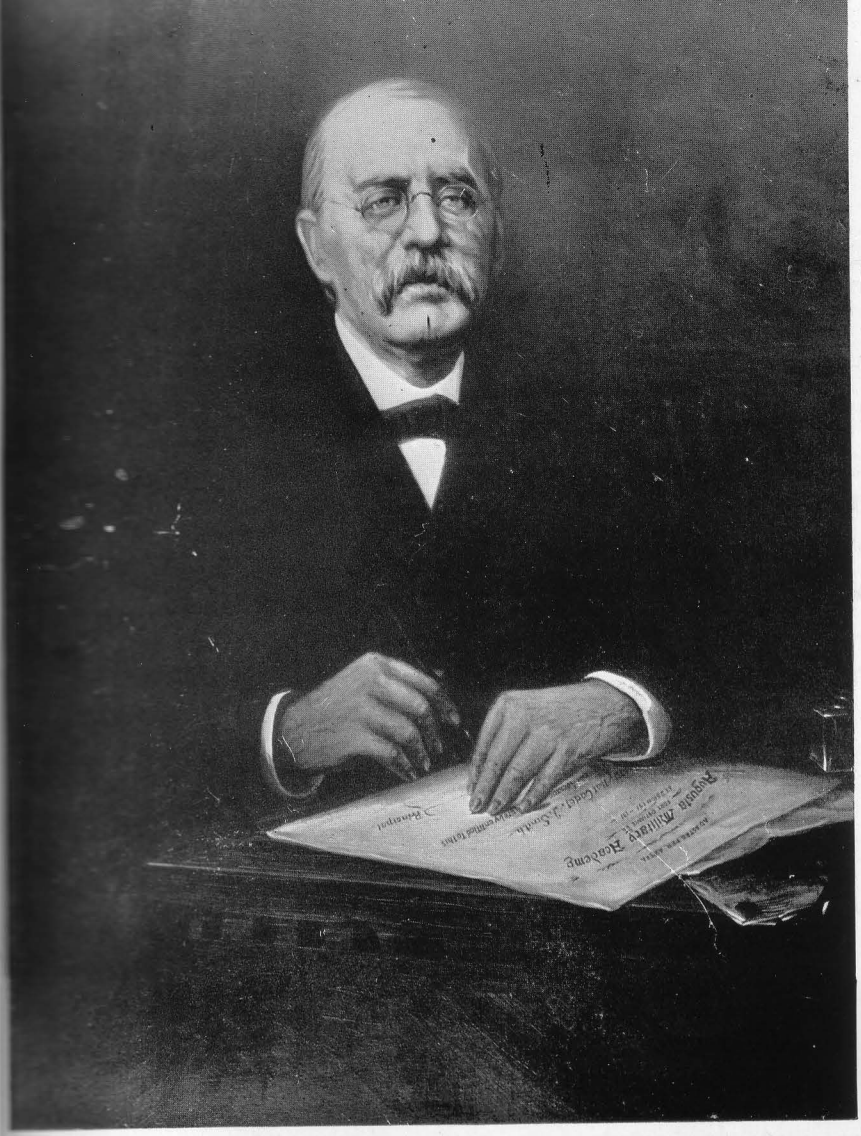

In 1865, when the war-torn Valley of Virginia had practically no educational facilities, the Augusta Military Academy was founded by a young Confederate soldier, recently discharged from General Lee's army, to provide high school education for other young soldiers whose schooling had been interrupted by the war, and for those who had been too young to fight. The young soldier was Charles S. Roller, father of the present principals, and he called the school the Augusta Male Academy. Originally a day school, its success was so immediate and its reputation so widespread that it began accepting boarding students and became the Augusta Military Academy.

In 1907 the founder retired because of ill health and his two sons, Colonel Thomas J. Roller, and Major Charles S. Roller, Jr., assumed active control. Under their management the Academy has grown to its present size and nationwide reputation for successful education for the young man.

A partnership that had existed for half a century was unfortunately terminated on March 10, 1946, when Colonel Roller, after an extended illness, died while visiting his son in Coral Gables, Florida. As a result, Major Roller assumed the entire management of the school.

The school has an enviable record for education and the making of men. Its graduates have gone to practically every college and university in the United States, including the service academies, and have acquitted themselves with distinction.

In the following few pages, we have endeavored to illustrate with the available pictures the history of Augusta Military Academy from its conception to present date.

THE LATE COLONEL THOMAS J. ROLLER

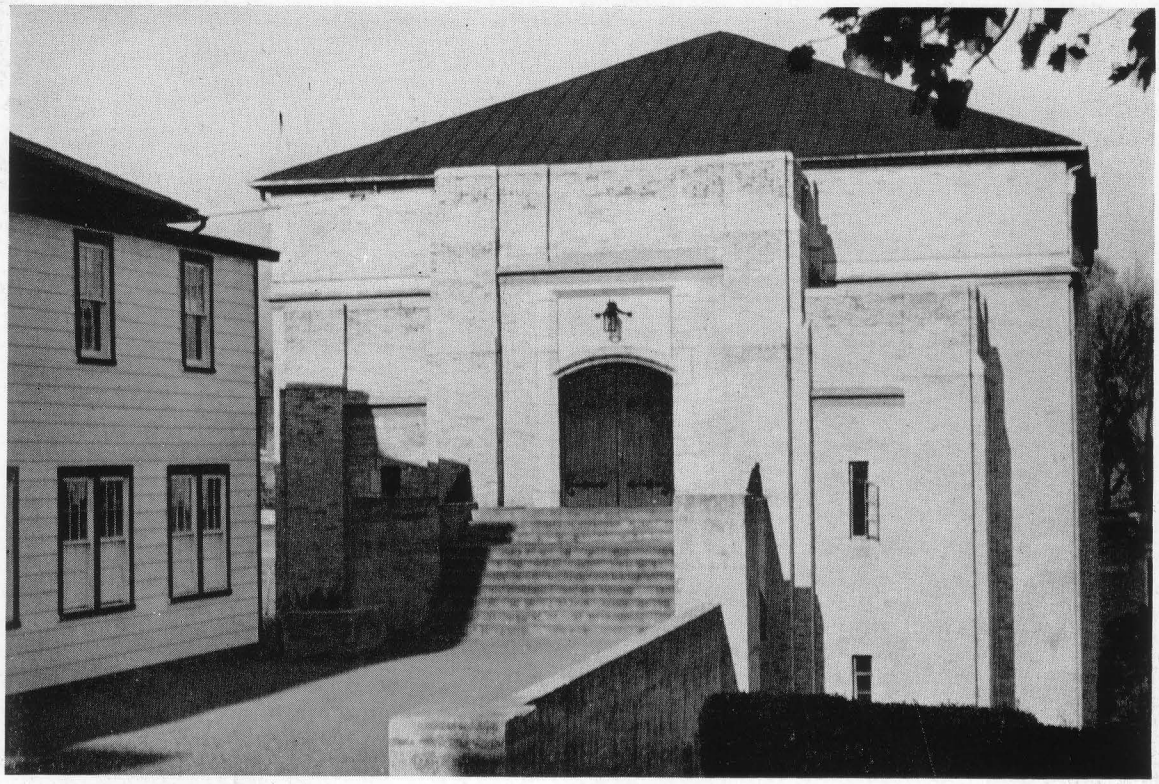

COLONEL CHARLES S. ROLLER, JR.

In 1907 when Prof. Charles S. Roller, the founder of Augusta retired because of ill health, his two sons, Col Thomas J. Roller and Major Charles S. Roller, Jr. assumed active control. Under their management the Academy has grown to the largest student body in the history of the school and has attained a nationwide reputation for successful education for the young man. This partnership existed until March 10, 1946 when Col. Thomas J. Roller passed away while on a visit with his son in Florida. Since that time Col. Charles S. Roller, Jr. has been the principal of the Academy. He furthered the ideals that his father instilled in him and his late brother and carried Augusta on to even greater heights. The student body this year is larger than any previous year and boasts of many states and foreign countries in its representation. The faculty is the largest in the long history of the school. Two outstanding additions this past year were the erection of the Memorial Science Building and the new entrance to the school. These and many other improvements may be attributed to the progressive policy adhered to by the late Col. T. J. Roller and continued by our present principal.

D EDICATION

WE, the Staff of the 1947 RECALL, dedicate this publication to

LT. COL. WARREN S. ROBINSON

A man of the highest integrity, combining sincerety, steadfastness, and leadership with a rare sense of humor, he was a master instructor, both militarily and academically, and will always be remembered as a gentleman of the highest character.

FOREWORD

WE, the Staff of the RECALL for the year 1947, have to the best of our ability, endeavored to prepare an Annual that we sincerely hope will serve as a true and impartial chronical of the school year, and will be the means, in later years of recalling to memory the faces of our friends now so well known to us all.

OUR PRINCIPAL

Col. Charles S. Roller, Jr. has been closely associated with Augusta Military Academy for over a half a century. In that time he has seen the ideals of his father and mother materialize from a small beginning until the student body of 1946-47 has reached the total of four hunded and fifty cadets from almost every state in the union and many foreign countries. Col. Thomas J. Roller and his brother Col. Charles S. Roller, Jr. were co-principals of Augusta until March 10, 1946 when Col. Thomas J Roller passed away. Since then Col. Charles S. Roller, Jr. has carried on alone as principal of this school. During this short time he has continued the many advances which he and his brother furthered. This year has witnessed the erection of the Thomas J. Roller Memorial Science Building and the new front gate which enhances the beauty of our campus.

AUGUSTA MILITARY ACADEMY

1941-1946

In behalf of the Recall Staff of 1946-1947, we would like to take this opportunity to express our most sincere gratitude to Major Paul V. Hoover, without whose able guidance and kindly assistance the publication of this annual would have been impossible. Words cannot adequately express our great admiration and deep respect for this fine gentleman whose integrity and strength of character has helped to mold the lives of countless boys.

CLASSES

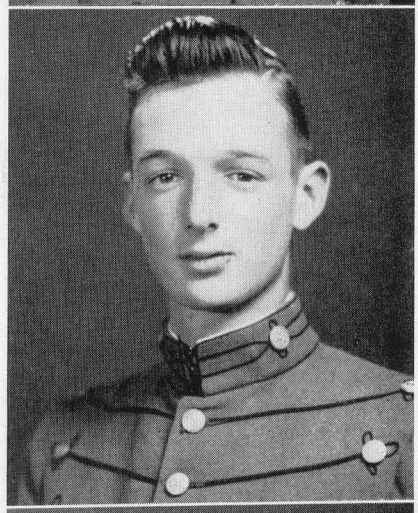

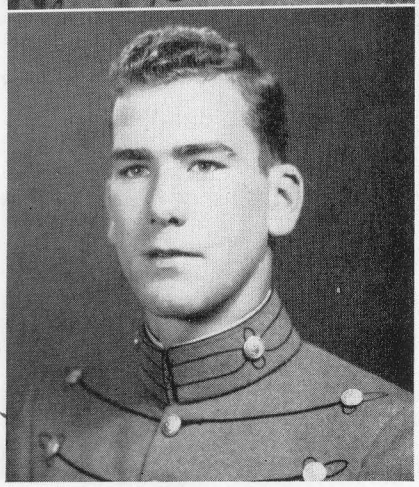

Book Two

SENIORS

UNDERGRADUATES

HOWARD V. BANGSBERG

"Howard"

Howard has been with us but two years but in that short time he has made us sit up and take notice of him. Mention the rifle team or the Honor Roll and his name just has to be mentioned. He has been the high scoring man on this team all this year and was instrumental in keeping this sport to the fore. Academically you would not wish for a better student. Along military lines he was an outstanding corporal in "B" Co. Whatever field he chooses to follow will see him far above the average.

W. VINCENT BARBER

"Vince"

"Vince" is one of the "old" boys of Augusta, having been here for the past five years. Coming here as a small boy he has grown in stature in every field of endeavor at AMA. While being a regular on the Honor Roll he nevertheless found time to be out for sports in which he was outstanding in rifle and golf. Ever since he went out for the rifle team, and that seems a long time ago, his name has usually been a factor with the success that this sport has enjoyed at this school. Not always the top scorer but one who consistently stays near the top. Spring and fall saw him driving the grocery truck to Ingleside for that daily round of golf. Militarily he held the rank of first lieutenant and proudly and justly so did make his company "tops" in everything.

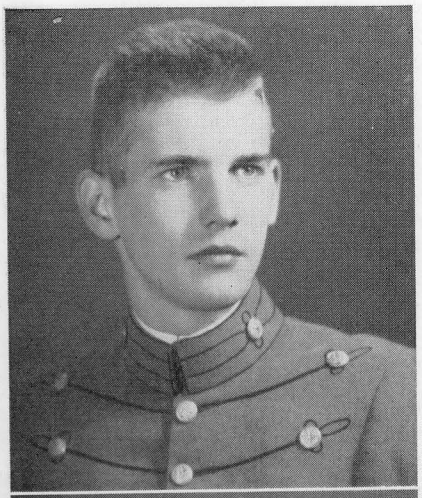

BOBBY W. BOWIE

"Bobby"

"Bobby" came to us three years ago from the sleepy town of Galax, Va. He brought with him the same fame that he held at GHS. In football he etched his name as a member of the JV Team his first year only to be outstanding in this same sport last year as the All-State Guard Mention plus winning the Silver Football Award. This past year he played backfield where he performed very creditably. In the winter he went out for fencing where he furthered his athletic laurels by defeating his opponnts both at West Point and Annapolis. Incidently he is one of those rare three weaponmen in this sport. In the spring he quickly added further honor by his work with the baseball team. Academically he stands near the top. Along military lines he rose from a private in three years to be Captain of "D" Co. Their progress has been almost phenomenal and much is due to his work with them. When West Point opens the door to him this July he merely takes up where he began three years ago at Augusta. His work there will be merely adding honor upon honor. Good luck, Pal.

The best of luck to a swell guy.
Bobby Bowie

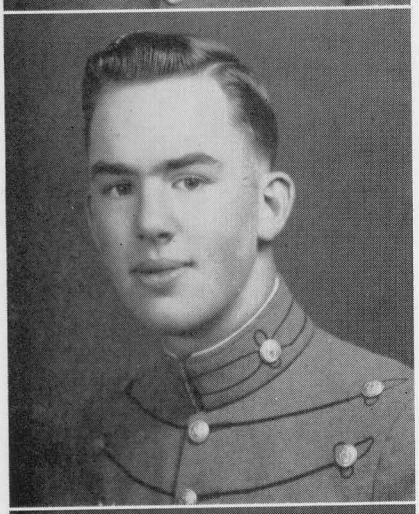

1947

J. C. CAMPBELL

"J. C."

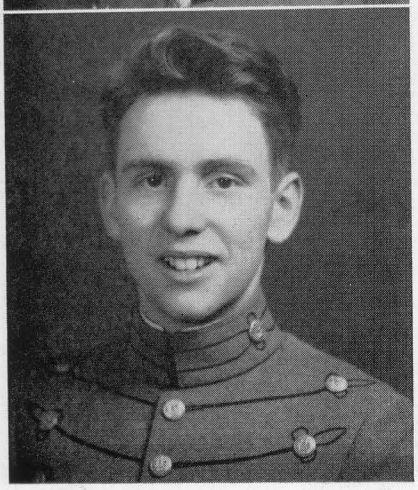

"J. C." as he is affectionately known to his intimates hails from the city of Charleston, West Va. Although this is his second year and last year he has made a lasting impression upon the entire cadet corps. Quietly and inconspicously he has done much to make this corps the fine one it is. Wherever he goes he will carry with him the respect of every true and loyal son of Augusta.

EDWIN E. CHILDS

"Eddie"

"Eddie" is another one of those who are consistently a member of the Honor Roll. Witty, pleasing in personality, loyal, quiet—all of which go together to make the ideal A.M.A. cadet. He is destined to be a real factor in the future development of our country.

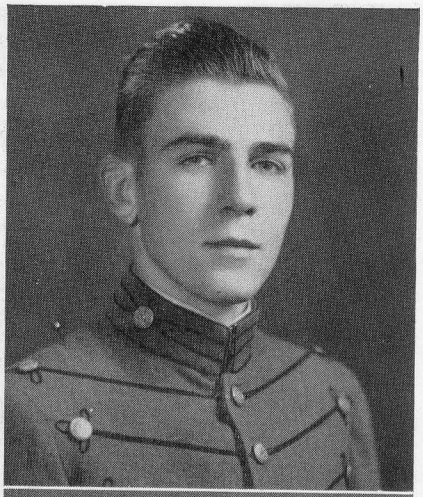

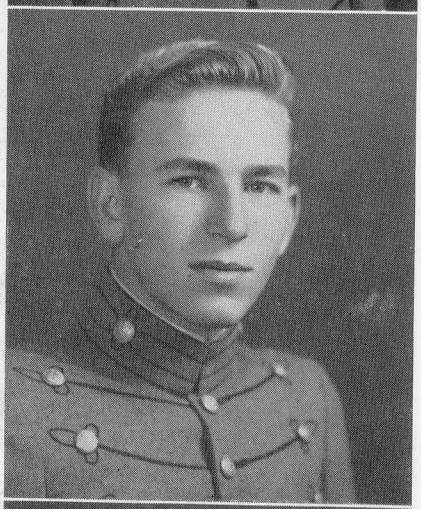

SAMUEL G. CONLEY, JR.

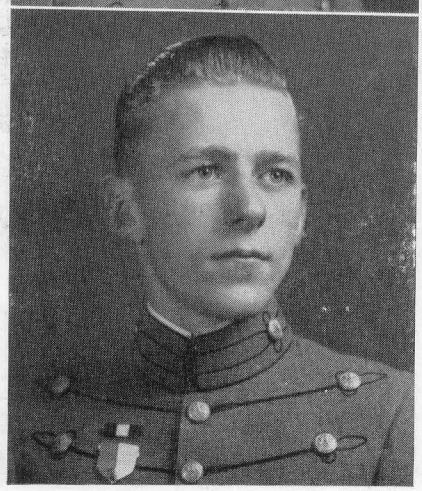

"Sam"

The climax of this future general's career came this year when he was promoted to the Captain of "E" Co. Sam is one of the "older" cadets having been with us for the past four years. In that short time he rose from private to corporal and lieutenancy and finally to one of the most coveted positions in the military. Not to be out-distanced by his military ability he had marked his name in academics and also in sports. In sports aside from being better than average at tennis he did much to help the fencing squad attain the splendid record it made this past season. When West Point receives Bobby Bowie and Sam Conley they need look no further, for everything will be under control.

SENIORS

CLARENCE T. BRYANT

"Bryant"

"Bryant" is a new cadet with a rare sense of humor accompanied by a "brain." He has been usually tops on the Honor Roll. Monday nights we generally heard his name as being one of those who won the coveted merits at MMI. At SMI his room frequently took first or second place. Thus while being a new cadet he made a name for himself along lines that demand attention and respect. Good luck to you wherever you may go.

P. NORMAN BURTON

"Percy"

"Percy" has about all that a fellow wants in life—looks, brains, ability, initiative, dependability, etc. and a wonderful future. For his size he has no equal when it comes to sports. Last and this year he played on the 150 lb. football team and was one of those who made this team so outstanding. In basketball he has few equals. In tennis he was a member of last year's team which won seven out of eight matches and he was one of the reasons this team made such a record. In military he was close to the top in being the best corporal of the guard last year and this year as platoon sergeant he furthered the progress of his company. Whatever Norm wants to do or wherever he goes, he can have what he wants merely for working for it. His success is assured and we regretfully bid him farewell.

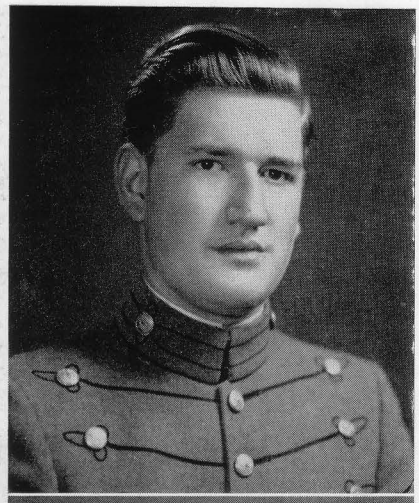

R. THOMAS CALLAHAN

"Tommy"

"Tommy" is best known for his ability in military. A better officer would be hard to find. Serious, intelligent, athletically inclined describe this rare combination seldom found nowadays in youth. Consistently at the top of the Honor Roll, the mainstay of the wrestling team for the past three years—all of which predict a happy future for him at MIT. With such a past behind him no one needs to worry about his future.

Well, Paul, this year is almost over and it has seemed too short, however, it has been a real pleasure to know you and I wish you the best of wrestling.

Your pal, Tom

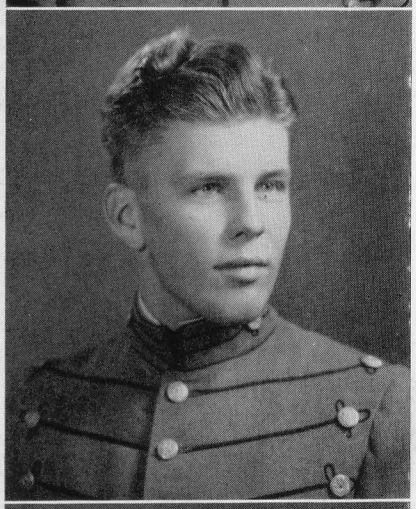

LLOYD G. COOKE

"Cookie"

"Cookie" is another Army Junior and along with the many others at AMA he has upheld the honor of his family to an enviable degree. Whatever Cookie puts his heart to he usually comes out on top. We wish him the best of luck for his future. We know that he will make good in his chosen field of endeavor.

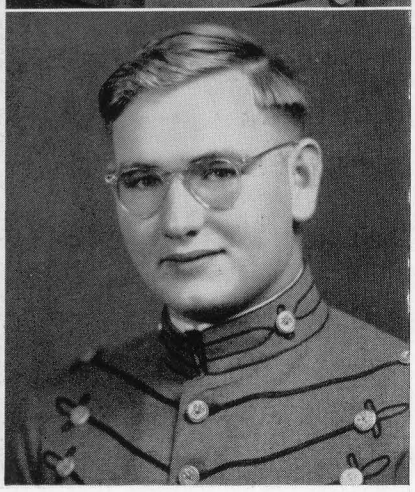

To Paul.
Best of everything to
you buddy. May we
meet again.
Bill Allen
Les

LESTER H. CORNELIUS

"Les"

"Les," despite his devotion to trifling, finally settled down this year and made up for all his past actions. One of the wittiest cadets in school he enlivened many an otherwise dry class in which he happened to be placed. But for Spanish he would have been regularly on the Honor Roll but at that he is graduating high in his class.

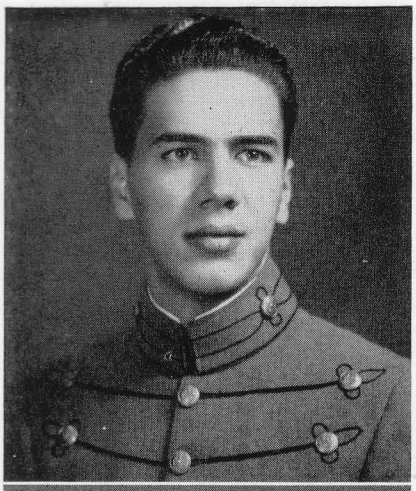

FREDERICK CROWGEY

"Fred"

"Fred" is a second year man, last year a private and then this year an outstanding corporal. In academics he holds his own with those at the top. Athletically he did a bangup job on the varsity squad in football while in wrestling he hit his stride and made this sport even more popular with his exhibitions of rare prowess. Good luck to a fine fellow.

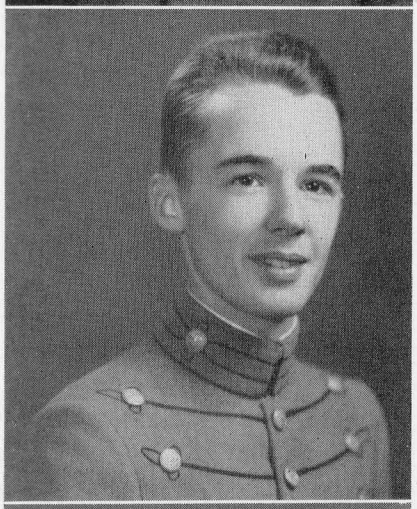

SENIORS

ORLANDO D. CUERVO

"OD"

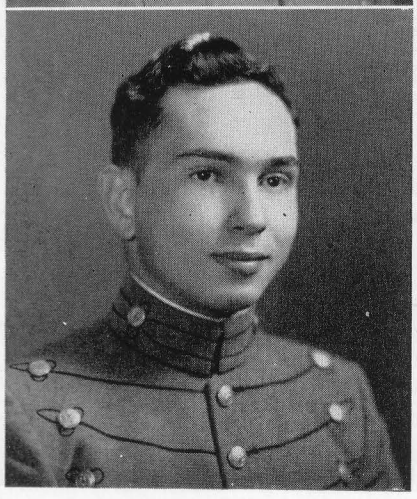

"OD" is one of the finest Spanish-speaking cadets we have ever had the pleasure to know. Possessing a rare sense of humor—seldom noticed at this school.....endowed with superior intelligence, devotion of duty in military to a very high degree—just about sums up the perfect cadet anywhere. He has also been very helpful in aiding his fellow cadets in adjusting themselves to our way of living. His future is assured whatever he may choose to follow as a life's profession. We regretfully say "adios" to a gentleman.

HARLEY W. DAVIDSON

"Harley"

Harley has done as much as any cadet for the school and cadet corps. As Sergeant-Major his task is endless. When not working with merits or writing up reports he is busily engaged with the military department. Then he was chief operator of the movie booth. Of course he was one of the most active members of the YMCA. What time was left he spent on his studies and succeeded in making the Honor Roll. His leaving will be a distinct loss in many ways and he will be hard to replace.

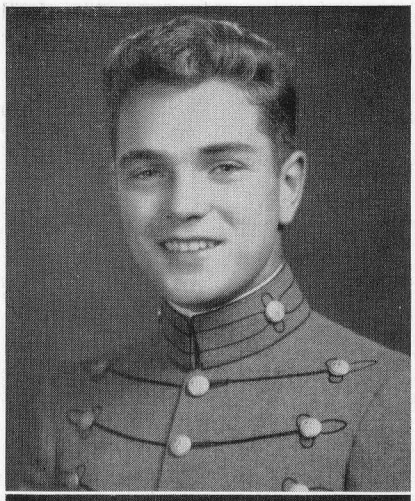

LeROY DIAMOND

"Roy"

"Roy" is one of those quiet fellows who goes around doing things and are seldom noticed. Academically he was one of the shining stars and he held up his own among the best when it came to matters military.

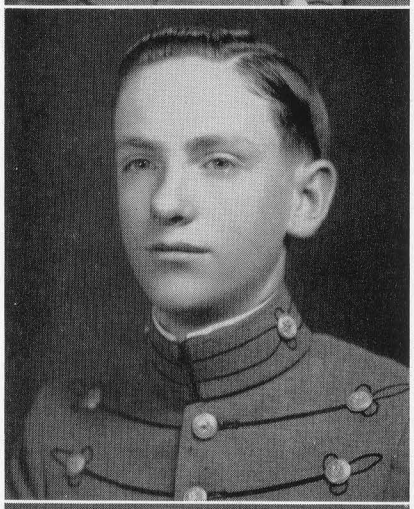

1947

DAVID B. DUCEY

"Dave"

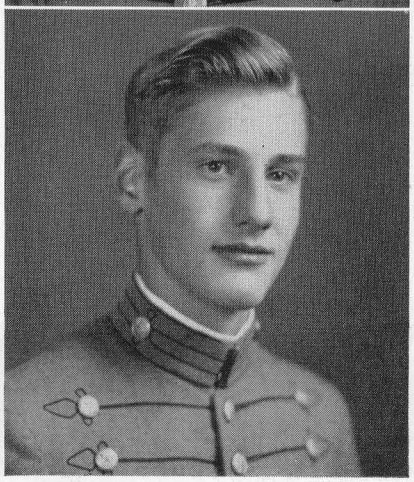

Speak of sports and up pops the name of Ducey. His first year he made his name on a Junior team and then last year and this he starred on the Varsity football team and wound up by winning the Gold Football Award. As a fencer he just can't be beat. His consistent efforts enabled our team to keep it's record clean again this past year. In the spring he turns to tennis where he wields a mean racket. Academically he could have been at the very top if Spanish had not thrown him for a loss. We expect to be hearing great things from this fellow in the years to come. So long pal, we sure will miss you.

WALTER W. DUNCAN

"Walt"

"Walt" hit his stride this year when he was promoted to Sergeant where he performed very admirably. While not athletically inclined he nevertheless did a fine job on the 130 lb. team. Academically he is tops. Good luck.

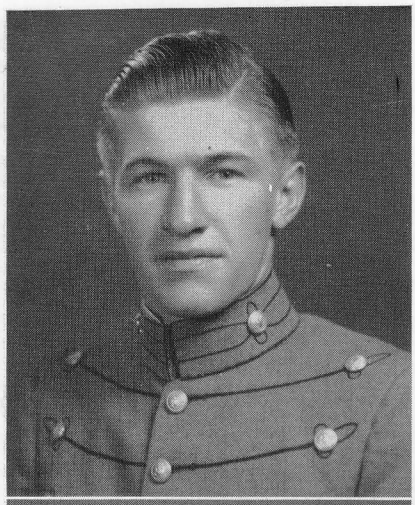

RICHARD DUTTON

"Dick"

"Dick" is another Army Junior who has made good in many ways thus upholding the traditions of the service. Had he consistently stayed out for sports his name would have been in highlights. His work on the junior teams showed great possibilities. As an officer of the band he was instrumental in forwarding that great organization. In marks he was excellent.

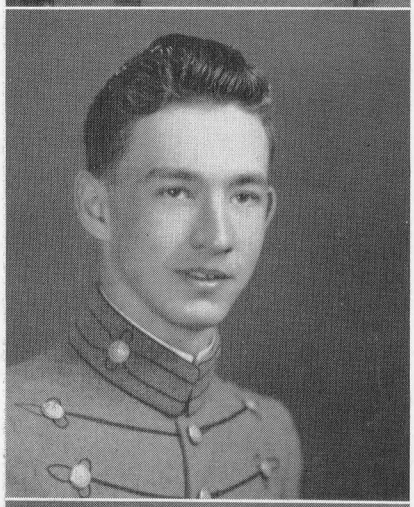

SENIORS

JOHN D. EDDY

"Tip"

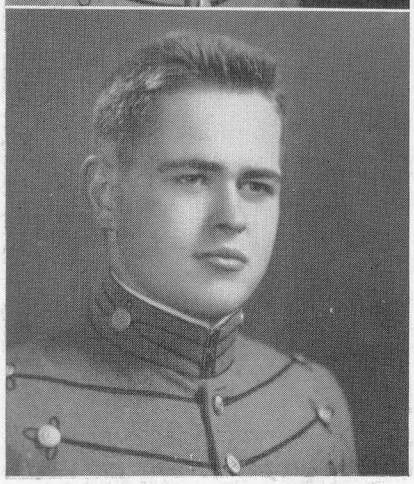

"Tip" will be remembered for many a year after he leaves this place this coming June. Just mention sports and you will find Tip among them. His work as co-captain last year was outstanding and this year he played excellent ball as left end of the Varsity eleven. In baseball he shines like no other man. Good luck old fellow; we will miss you next year.

JOHN W. FIELD, JR.

"Jackie"

"Jackie" came to AMA a mere boy four years ago. Since then he has been one of the outstanding officers in "E" Co. The development of this company parallels his achievements. In sports he was by far one of the best fencers produced at Augusta in the long history of this sport. His only competitors for first place on this team were Ducey and Bowie. Good luck at W & L.

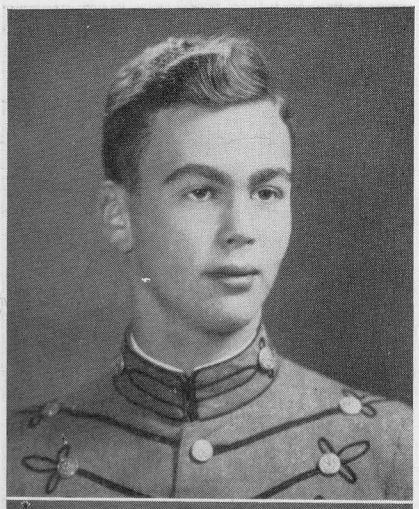

DANIEL Y. FINN

"Danny"

Danny hails from Boston, Mass. That speaks for itself. Pleasing personality, good-looking, easy-to-get-along-with, brainy describe this boy who is one of those individuals who came here for an education and when he receives his diploma this June he will be ranked up near the top. Good luck, Boston Boy.

Best of luck always to a swell guy. Bob

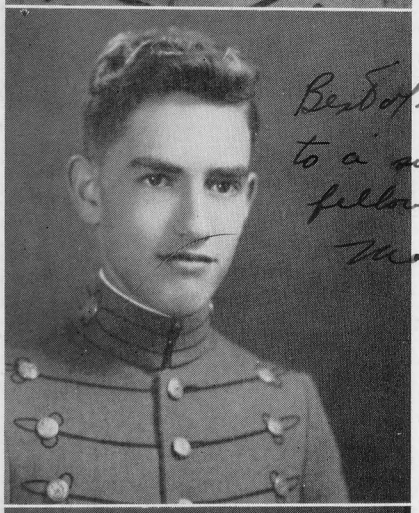

1947

ROBERT S. FRESHMAN

"Bobby"

Bobby is a combination of looks, brawn and brains. In his four years he has risen from a private to Captain of "C" Company. The progress that company has made this year is due largely to his efforts. In sports he was a quarterback on the Jayvee Eleven; a pivot man on the swimming team and wields a nice racket in tennis. The Bayonet and Recall owe a lot to his efforts. The success of the Cotillion club is due in no small manner to his work. He has held first place every month on the Honor Roll and has collected so many medals at Finals that to talk of them requires the space of a book. When he enters MIT we predict another four years of outstanding achievements.

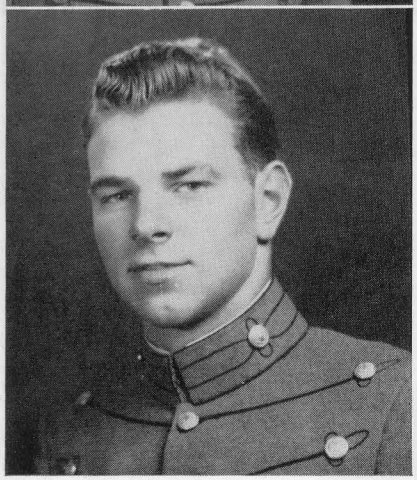

Best of luck to a swell fellow. Manny

MANUEL GREENBERG

"Manny"

"Manny" is a quiet easy-going cadet who put studies and military above everything else. His efforts resulted in his being the recipient of the Spanish Medal while taking Spanish II and in being one of the best cadet officers in the corps. That he will be a success in college and later life is a foregone conclusion.

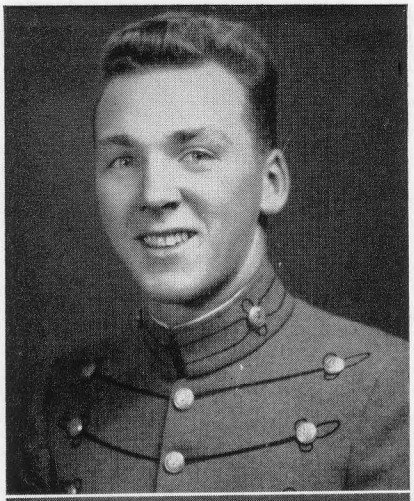

JAMES W. GROVE

"Jimmy"

"Jimmy" is an AMA product having been here the full four years. While more inclined to the athletic side of cadet life he has realizd that academics are the most important items in school. Thus while starring on the football eleven, the swimming team and the track he has also made good marks. Jimmy is serious and with such a foundation as he has gained here he is bound to make good in college. Keep looking for his name in the sports world in the near future.

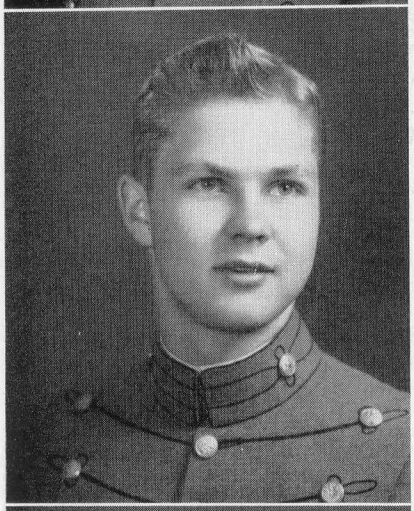

SENIORS

JOHN L. HARBISON

"Jack"

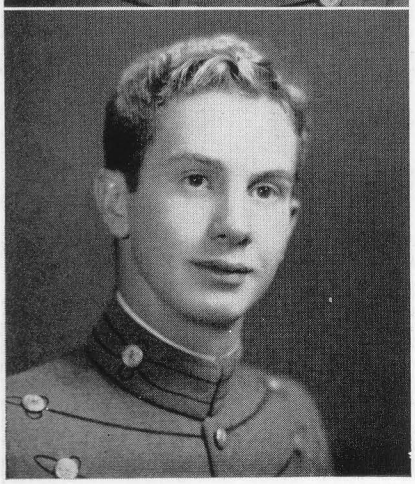

Jack has been with us but a year, but in that short time he has made quite a name for himself both in sports and academics, standing high in both. On the gridiron he saved many a touchdown with his alert playing while also contributing much to the score which our team made this past season.

S. WILSON HARRELL

"Wilson"

Wilson has spent six long years at Augusta. Coming here as a little fellow he has advanced from a private to the position of first lieutenant of "B" Co. a position which he has filled very admirably. There is no better-groomed nor neater individual in school. For a better dispositioned cadet you would have to search the earth to find another like Wilson. We wish him the best of luck wherever he goes.

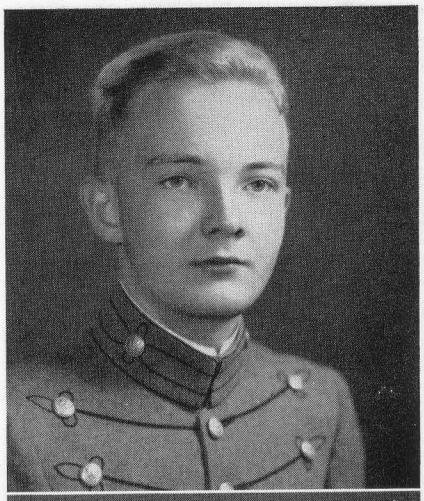

DONALD G. HEPPNER

"Don"

Don is the coach's dream of a real player and fellow. Brainy—both in sports and academics—well built, athletically endowed, handsome, witty are in short a description of this well liked cadet. Not only to football were his abilities confined but also to track where he starred. His name generally appeared on the Honor Roll. All in all Augusta will miss one of her most loyal supporters when he is graduated this coming June. Luck just naturally goes with this fellow.

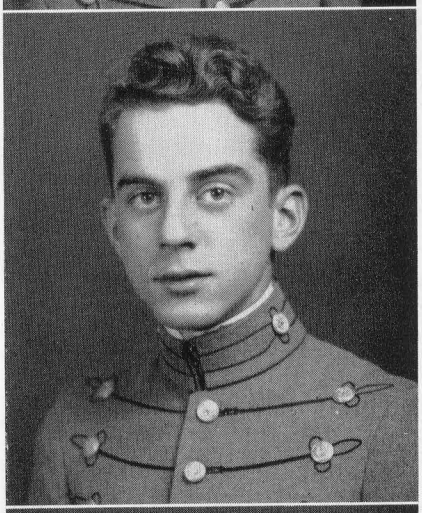

1947

JOHN A. HERRING

"John"

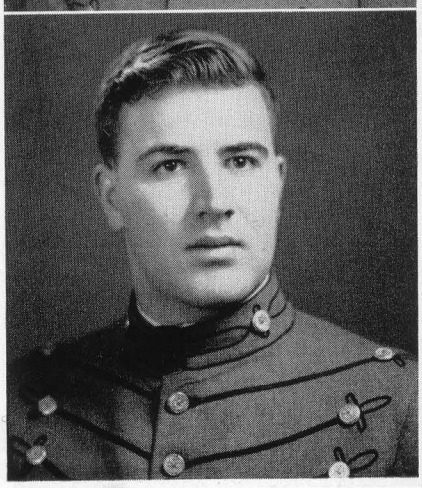

John has probably gone more to military schools than any cadet in the history of the corps. He spent nine years at FMA before coming North to matriculate at AMA. He has shown that military training does pay. A better officer or a better grounded cadet in academics is hard to find. In John we see only the best traits that only military training can bring out. His future is assured and we expect to be hearing from him regularly. Au revoir, to a perfect cadet and gentleman.

HARLEY F. HOPE

"Harley"

Harley is another full-fledged AMA cadet having been here the full four years. One can connect Harley's rise from the ranks with the improvement of the band these four years. Academically Harley holds his own with the best of them. Athletically he has two years with the swimming team and the other two with the basketball squad. All in all he is a real cadet. Good luck to this Mountaineer.

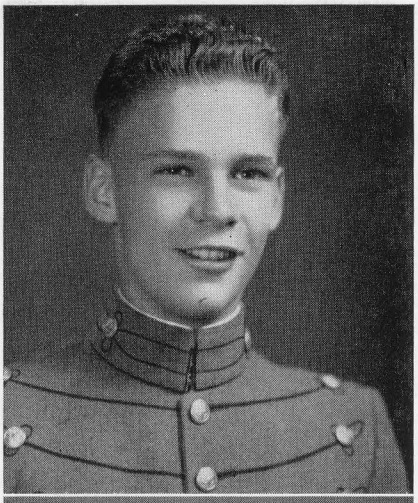

RAYMOND HOUFF

"Ray"

This fellow, an ex-GI came back this year to finish what he was interrupted. We all admire and respect him for the wonderful job he has been doing here this year. With such an outlook on life he will continue upward until he reaches his ambitions. He intends on entering college next year and taking up medicine. Six or seven years from now we shall expect him to care for us when we get sick. Best of success, Ray.

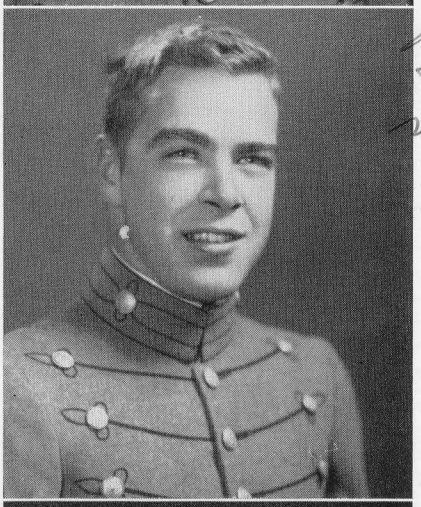

SENIORS

EDWARD G. HOWARD

"Eddie"

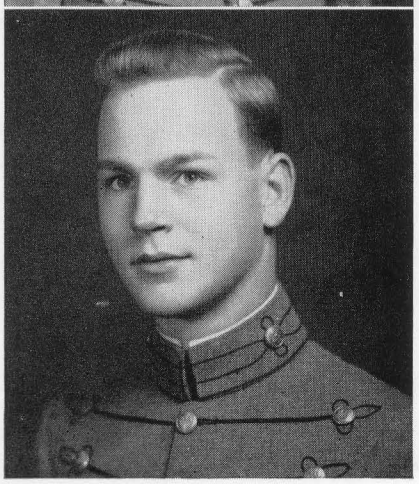

Eddie should be best remembered for his excellent work on the rifle team of last year and for his remarkable achievement in academics, two fields in which he excelled. Militarily he was one of the better NCO's. He naturally follows the path of success.

JOHN W. HUMPHREYS

"Jack"

"Jack" has been a member of the HQ Co. ever since his arrival four years ago and he has been one of the major factors making this organization the fine company it is. He was a star member of the famous 150 lb. football team this past season where he played a bang-up job at tackle. Added to these honors are his accomplishments in the way of academics. Good boy Jack, keep it up.

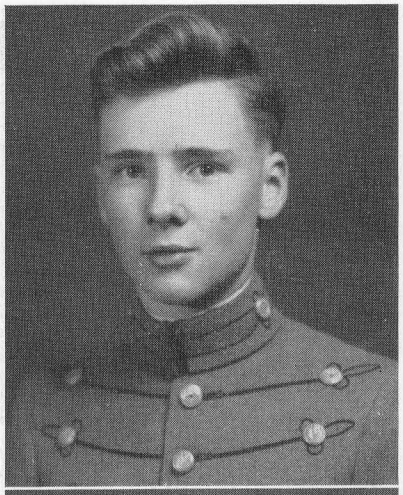

CHARLES R. HUNTSBERRY

"Bob"

Bob has spent three years at Augusta making records for himself every year. A regular member of the rifle team each of his three years. An excellent officer and a cadet you can depend on when it comes to making good marks. We'll miss you next year, pal.

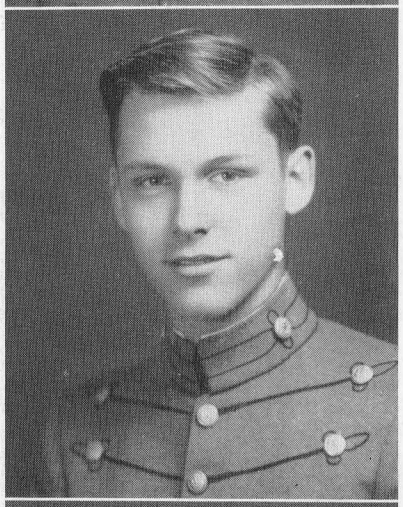

1947

GEORGE R. JACKSON

"George"

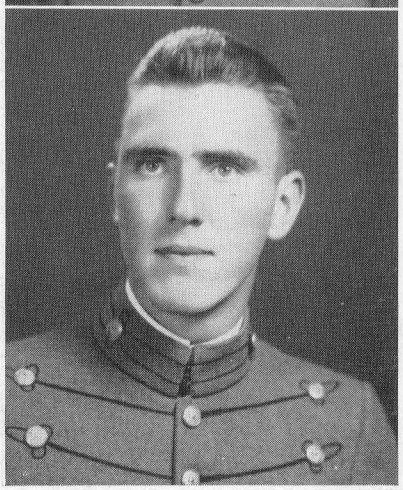

George is gifted with looks, personality, brains, military leadership all of which have made him an outstanding cadet his three years at Augusta. His work on the Recall and Bayonet were instrumental in making these publications the talk of the school. His military office could not have been executed with more decorum. His leaving will be a loss that will be hard to replace.

HAROLD L. JESTER, JR.

"Hal"

Hal will long be remembered for his untiring efforts in making the Cotillion Club and its dances the success that they were. As an officer he fulfilled his job very well. His work as an art editor of the Recall put a new high in artistic accomplishments..

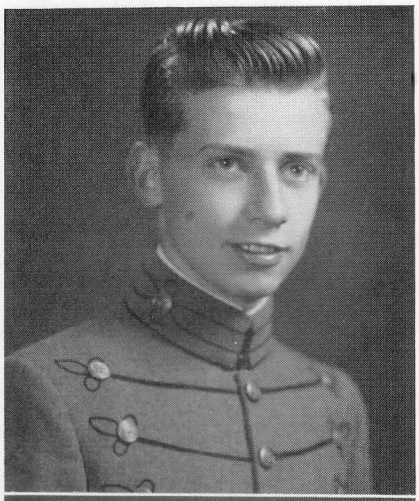

LITTLETON W. JOHNSON

"Johnny"

Johnny is one of the quieter new cadets who put everything they have into whatever they do and a good job they do. His appearance on the Honor Roll kept his name before the Corps every month. It seems a shame that he had but one year to spend with us.

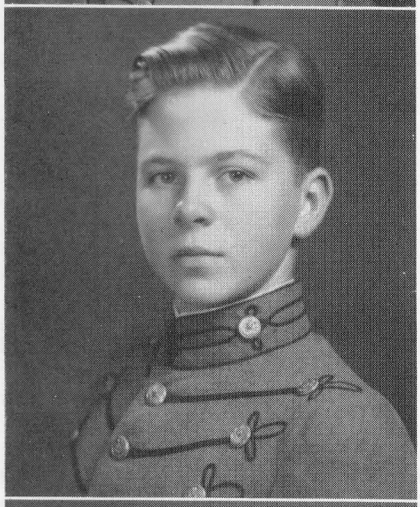

SENIORS

ALTON H. KIRBY

"Al"

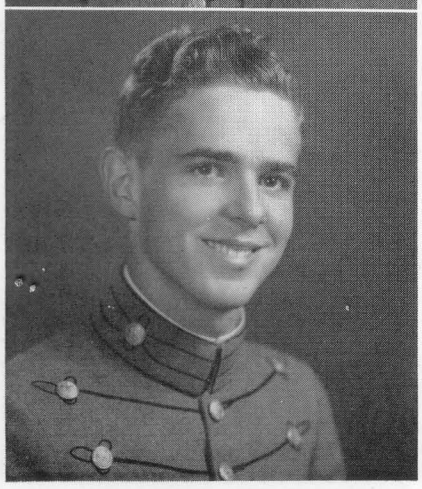

Al is a famous member of Room 6 Third Stoop Tower. Had Al wanted to, he could have ranked among the first five of his class but he forewent that honor to engage in other phases of cadet activity. In sports he earned his letter at wrestling, fencing and swimming. As a member of the Cotillion Club he did a lot to further the social activities of this organization.

MAX KUNIANSKY

"Max"

Max went through Augusta with a superman speed. Academic achievements are common to this brainy wizard. Musically one could sit down and listen to him play Brahms, Litzt, etc., endlessly. Lately he turned to popular music thus making us suspect that he intends taking up music as an avocation while he enters the field of medicine. Eight years hence we expect to see a famous surgeon upon the medical horizon.

GEOFREY G. LAYNG

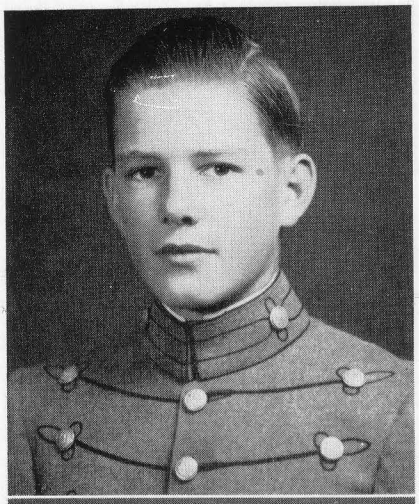

"Geof"

A more interested cadet in the corps would be hard to find. Geof thinks of AMA first and himself secondly. As Captain-Adjutant this year he added further to his good work at Augusta. A member of the rifle team, he shot consistently that his scores help the team achieve the wonderful record they did this year. A true gentleman of Augusta if there ever was one, his leaving will remove from our midst one of the most respected and best liked cadets of the corps.

To One of the fellows in the best company, who has done a lot to make it that way. Knowing that you will be "Tops" in anything you undertake, I wish a great deal of luck in the future. Looking forward to seeing you in the future.

"Lew"

1947

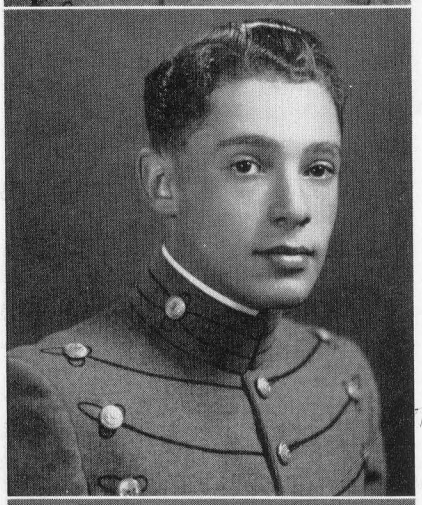

LEWIS LEPPER

"Lew"

Lew was very high in the list for best corporal of the guard last year and this year is high on the list for best OD. He is a natural when it comes to almost anything for he excells in all. High marks are another asset while in sports he can hold his own, starring on the fencing team as an epeeist; one of the mainstays on the tennis squad. He has set his heart on going to West Point where he will uphold the family name.

Best of luck to a swell guy and a mighty nice cadet.

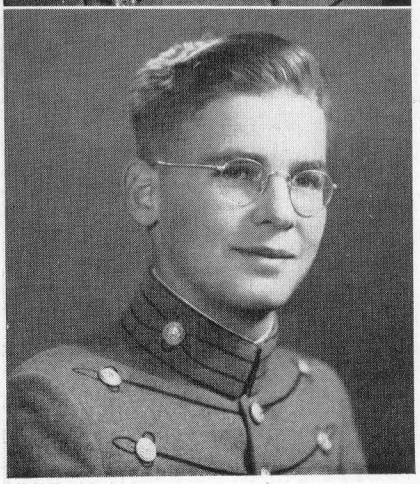

Jay

JAY L. LEVINSON

"Jay"

Jay is a second year man and both years were spent in the Band. Whenever there is a parade we see him riding as an aide to our Commandant. Horses and good marks are his hobbies. He expects to enter Virginia this fall.

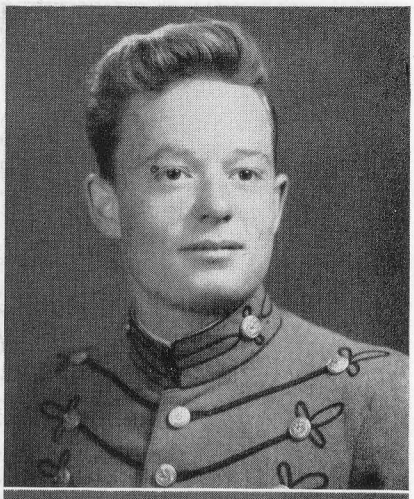

HERBERT L. LOHMAN

"Herb"

Herb is another one of those quiet characters in our school. He expects to follow his brother to Virginia this fall where he will continue his good work begun here. As a corporal he did a wonderful job.

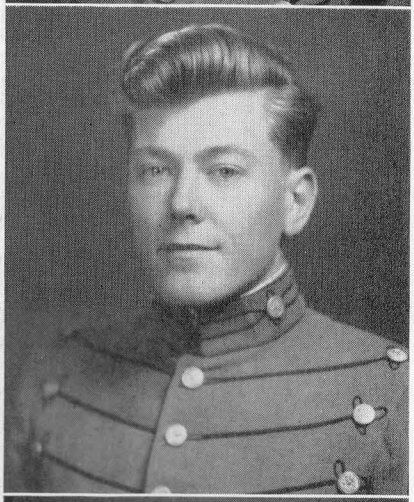

SENIORS

CURTIS M. LOWE

"Curtis"

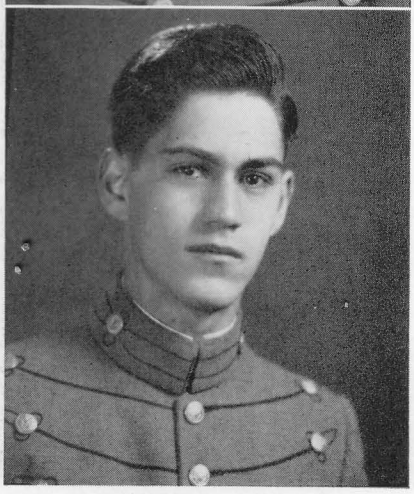

Curtis has been a member of the Band and our school orchestra ever since his arrival here. In the fall he played on the 150 lb. football team where he as center did much to help the team make the wonderful record it attained this past year. Affable, pleasing in personality, brainy and energetic he is sure to make good in his chosen profession.

JAMES O. MACKEY, JR.

"Jimmy"

Jimmy is a returned war veteran who is finishing his studies so abruptly interrupted several years ago. His desire to finish and go on to college has been marked by incomparable achievement. As a star member of the basketball quintet he was instrumental in helping his team attain the point of perfection in this sport.

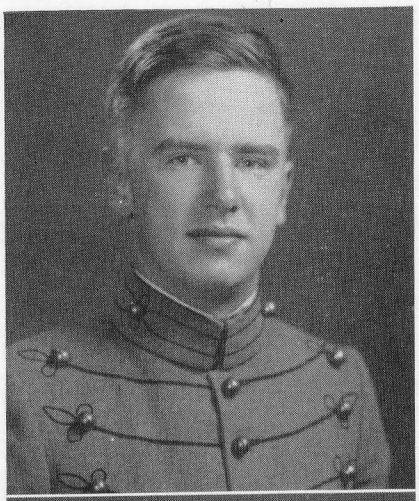

DAVID H. MARKS

"Dave"

Dave is as interested in sports and academics as any cadet this year. For the past two years he has been a regular on the 150 lb. team. During the winter he plays on the Junior Varsity basketball team and in the spring he is out for track. In military he is a very capable officer and to top everything he made a creditable record in academics.

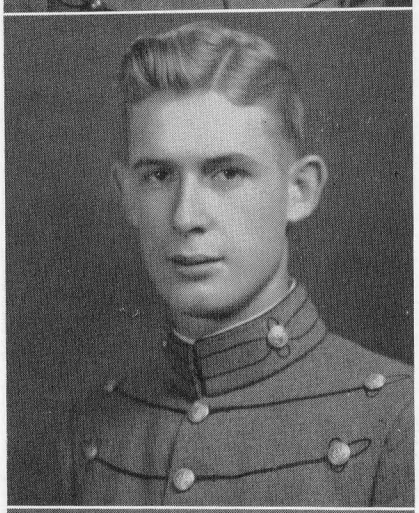

1947

LINVILLE K. MARTIN

"Link"

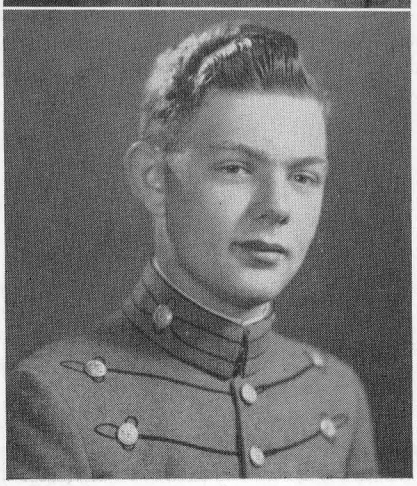

Link has been on the Honor Roll almost every month he has been here. As an officer Link holds his own among the best of them. Rather quiet he is very serious in all he undertakes. Easy-going disposition he is hard to rouse to anger. With such attributes he will go a long way in the life ahead. Good luck.

HARRY R. MAY

"Harry"

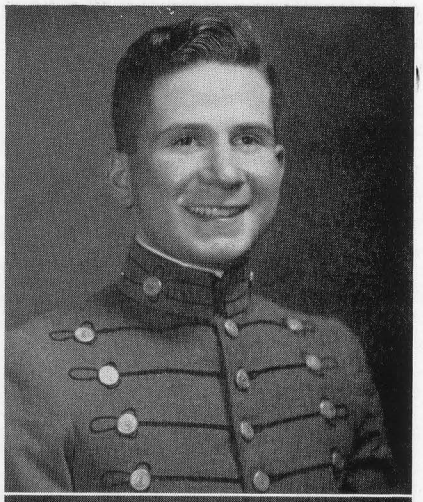

Harry is almost part of this institution. Beginning as a private he has risen to captain of "B" Co. He well deserves that honor for a better officer is hard to find. In sports he played 150 lb. football and also basketball. Our dances and also the YMCA owe him much for his efforts.

GEORGE H. MEYER

George is one of those individuals who believes in taking life at a leisurely pace. Gifted with more than an ordinary mind he uses it to its best advantage. He is the kind of fellow who would make good in the diplomatic service.

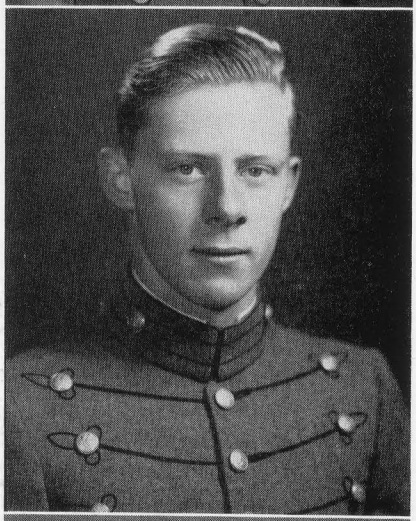

SENIORS

JESSE MOHLER

"Jesse"

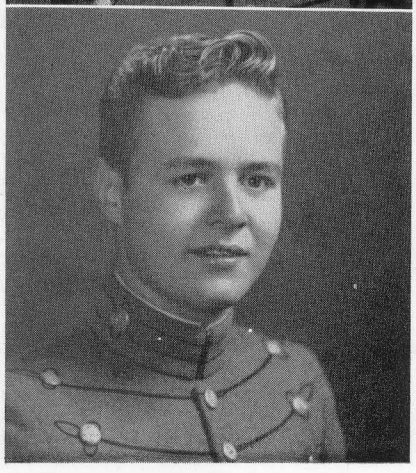

Jesse will be remembered for his performances as OD on guard and his stellar playing on the football team. A better player can't be found. His presence was felt when he was on guard for the barracks were extremely quiet. Good luck Jesse, we'll be hearing about you.

SAMUEL W. NEFF, JR.

"Sammy"

Sammy was another GI who returned to complete his studies. His presence helped the spirit of our corps. The success of our dances were due in no small way to his efforts. The swimming team had to depend on his excellence for those victories they won. Playing on both the 130 and 150 lb. football teams he was responsible for many a needed gain through the line or around end. His leaving will take from this corps something that only Sammy can give to it. Good luck Sammy boy.

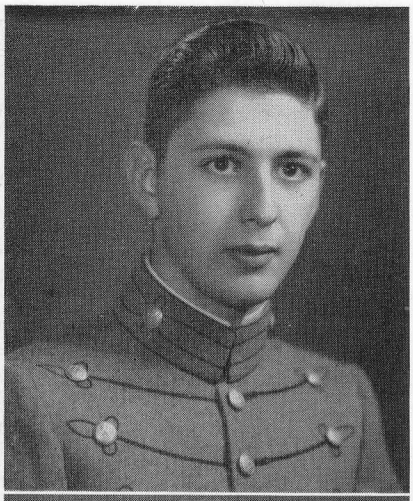

FRED A. OYLER

"Freddie"

Freddie is one fellow you cannot get mad. Always with a smile on his face. Always glad to help a fellow out. As fine a platoon sergeant as can be found. Ambitious to get ahead with such characteristics Freddie is sure of his place in the world of today.

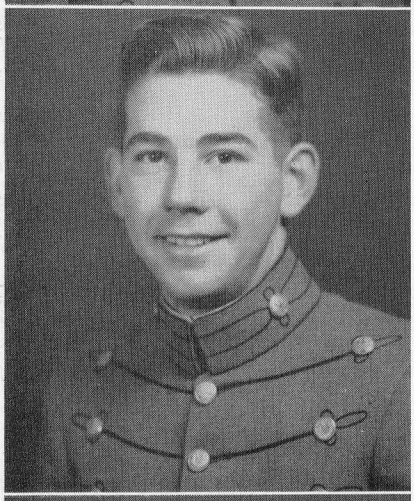

1947

JOHN J. PAPPAS

"Johnny"

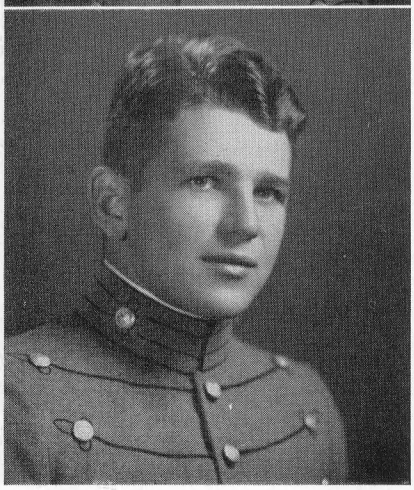

Johnny excells at everything he takes up. As leader of the school orchestra and a member of our band he made these organizations better for his being there. On the honor roll monthly. Gifted thusly he will go far in life and we wish him the best of success.

ROBERT L. RHEA

"Bobby"

Bobby just grew up with the school. His presence with the HQ Co. helped make it what it has been the past three years. Too small to play varsity football he starred on the 130 and 150 lb. teams. In the winter he was a deciding factor in helping our sabre team come through when points were needed.

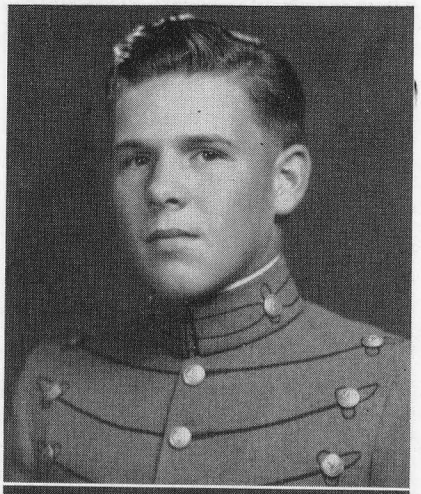

JOHN R. RHODES

"Rahily"

Rahily put everything he had into academics, military and sports at AMA. As a result he made excellent grades; was as fine a corporal as could be found; and in sports he stood shoulders above all by playing two years on the varsity squad, being instrumental in winning many a game and in the winter he developed into an outstanding wrestler and then to climax it, he was mainstay of the champion baseball team. What more could one ask for?

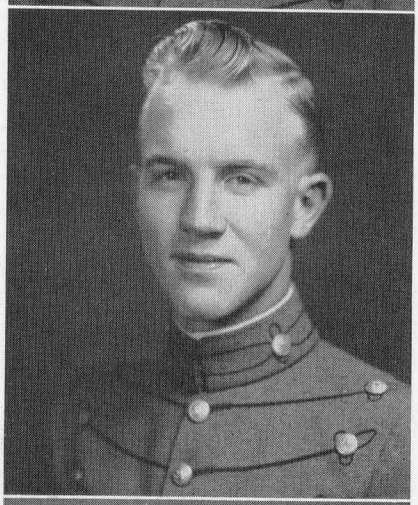

SENIORS

LARRY L. SALZMAN

"Larry"

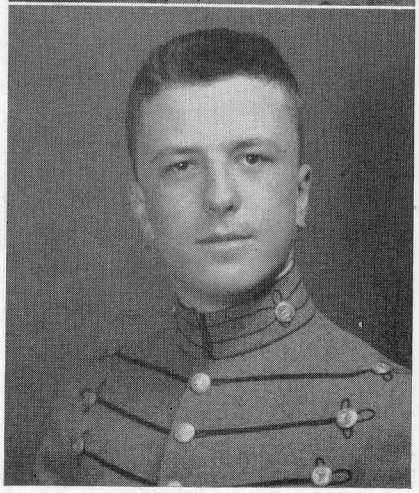

Larry came to AMA as a little fellow four years ago. Now he is one of the leading cadets of Augusta—an excellent officer and student —and a member of that famous one hundred fifty pound football team. Larry is headed for college where we know he will continue his good work.

JOHN B. SIMMONS

"JB"

"JB" has collected as many honors as any cadet can in his four years here. All that time he was a member of the band and this year was selected captain. He is doing a fine job. In addition to that he was elected an officer of the student body and also the president of the Cotillion Club; a member of the Honor Committee, etc. Need we say more about a cadet who is sincerely interested in the welfare of the school. Good luck "JB."

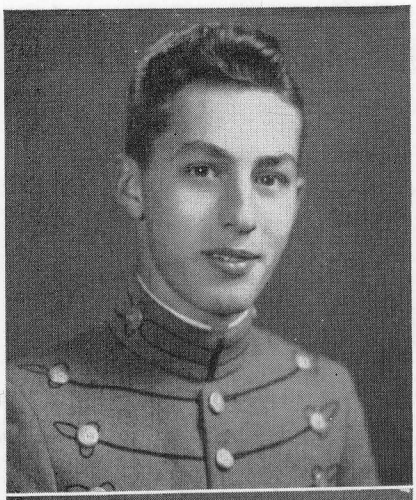

BEN M. SMITH, JR.

"Ben"

Ben as president of the YMCA this year led it on to even greater heights. As assistant adjutant he performed excellently. But it will be his work that will keep Ben long in our memory for he was the backbone of this organization always working unselfishly for its welfare.

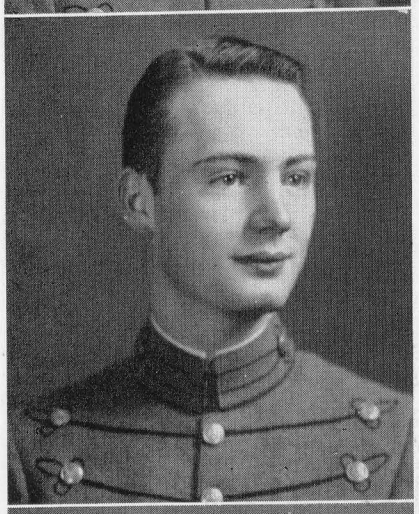

1947

MICHAEL T. SPERMO

"Mike"

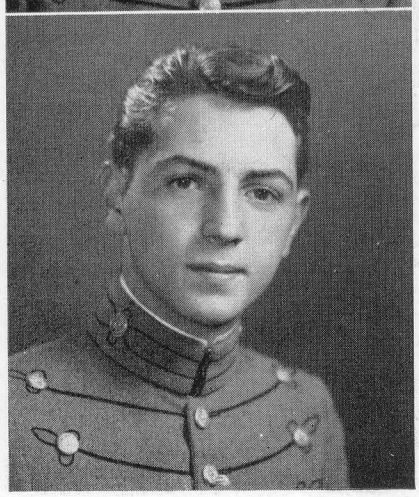

Mike is an excellent officer and a number-one ladies man. Which he is the better in it is hard to say. Of course sports and academics take a poor third when all are compared. As a track star he helped our team to many a victory. As a real fellow you will always remember him.

WILLIAM N. SUMNER

"Bill"

Bill climaxed his four years by being promoted to captain of the HQ Co. In that office he continued the fine work of his predecessor and carried his organization on to higher points of efficiency. His steady, conscientious and unselfish work will carry him far in life.

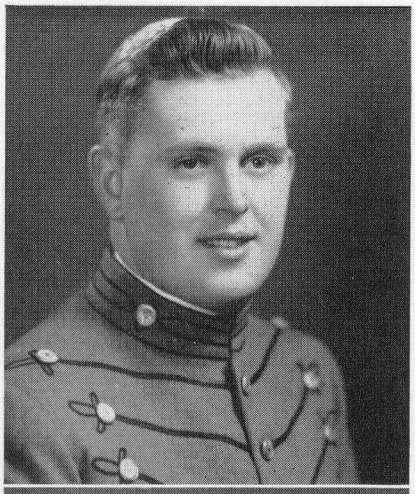

NICK TANGORRA

"Nick"

Nick laid aside his athletic laurels this year for more work on his studies. As a result he is graduating. A more likeable fellow and one who would give his right arm for you would be hard to find. As an NCO he was among the best. Good luck, Nick.

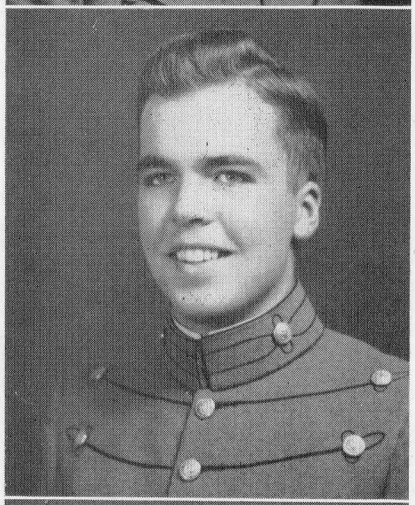

SENIORS

FRANCIS T. TOKAR

"Toke"

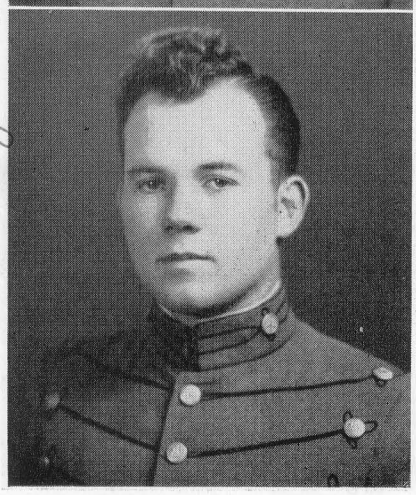

Toke is one of the best natured cadets in the school. Always willing to help the other fellow. His help with the Spanish-speaking boys is of inestimable value to the school. As a member of the band he has furthered that company's progress in his three years here. All in all Toke is a true and loyal son of Augusta.

JOHN C. WARFIELD

"Johnny"

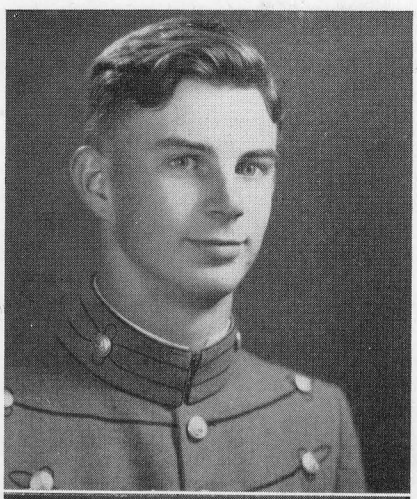

Johnny excells in anything he engages in. A better officer would be hard to find in the corps. As manager of fencing and varsity football he outdid any previous manager. As a student he is one of the best. A better all-around cadet cannot be found anywhere. Good luck, Johnny.

MICHAEL C. WELCH

"Mike"

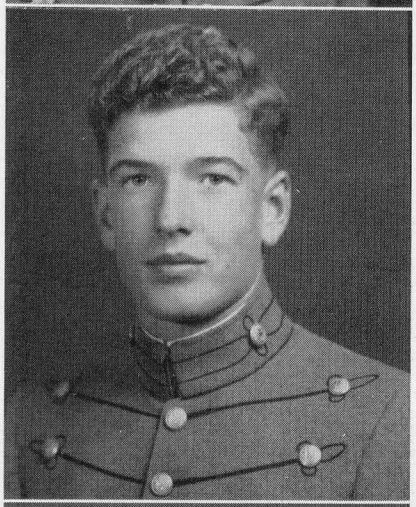

Mike is another one of those cadets to whom honors come naturally. As First Captain, President of the Officers of the Student Body, Honor Committee member, an excellent officer, a good student, he made AMA the corps that it was this year. More power to you, Mike and good luck next year when you enter college.

JOHN F. WINN

"Winn"

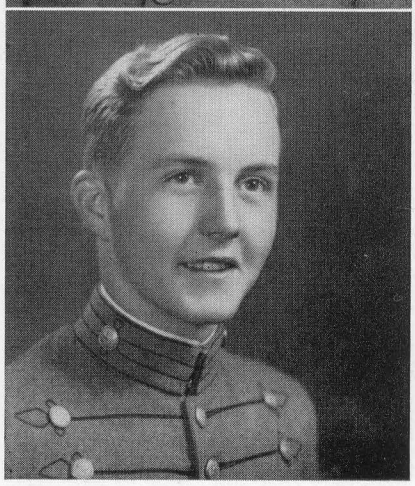

Winn and swimming are two inseparable words. As co-captain of this team he was definitely instrumental in getting that team to put forth the wonderful records this sport has made this year. As an officer and a student Johnny was a credit to himself and his school. Wish we had more like him.

CHARLIE K. WINSTON

"Charlie"

Charlie hails from North Carolina and do we know it. Full of pep, witty, very intelligent, what more could you want in a cadet? As an NCO he stood among the best. A mainstay of the varsity football squad, a member of the wrestling team and an honor student.

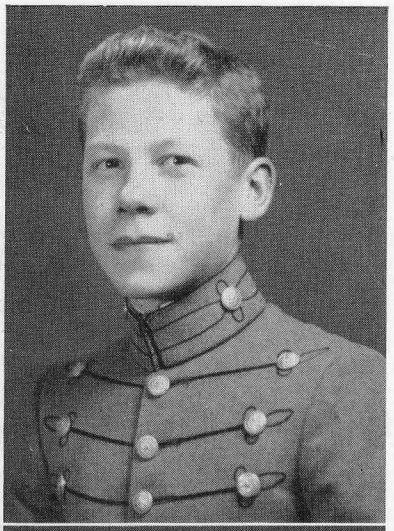

WILLIAM E. WOODIE

"Bill"

Bill is one of those fellows who has fallen in love and remains in that state. As an officer he was one of the best. As a true friend he was exceptional. Good luck, Bill.

Best of Luck to
a fellow Bus man
Hope to see you again
soon.

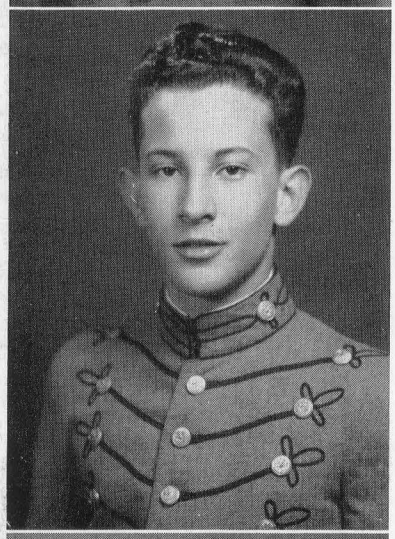

Bill

GLENN REYNOLDS

"Glenn"

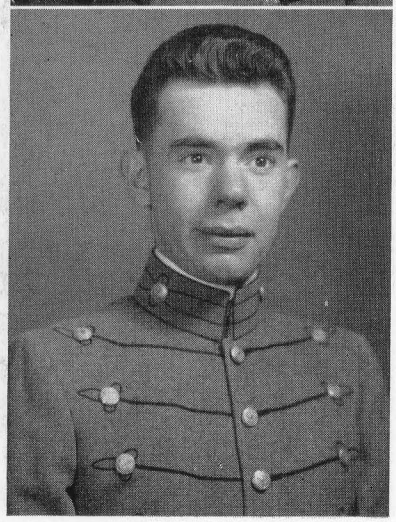

When it comes to playing a musical instrument Glenn has no equal. The star performer in the Band, a mainstay on the school orchestra and an excellent officer in the Headquarters Co. However, we shall remember him as the smiling little fellow who awakened us every morning at First Call.

FRANCISCO SUAREZ

"Francisco"

Francisco is one of the best examples of our friends from South of the border. Gifted with a winning way and intelligence that makes one regard him with awe, he has done as much for his fellowcountrymen and the school as a true and loyal son of Augusta could do. His eagerness to help all of us many times will make us remember him for many years to come. Good luck amigo.

L. G. MILSTEAD

"Jack"

Jack has been with us off and on for the past two years and in that short time has made many warm and sincere friends. Of course, that is what we expected from cadets hailing from the busy metropolis of Lynchburg. A quiet steady fellow who has made the best of all the good opportunities that Augusta offers. We shall miss him for his cheery and winning smile and his witty expressions that always made us feel better when we were low in spirits.

Best of luck
to a swell fellow
"Manny"

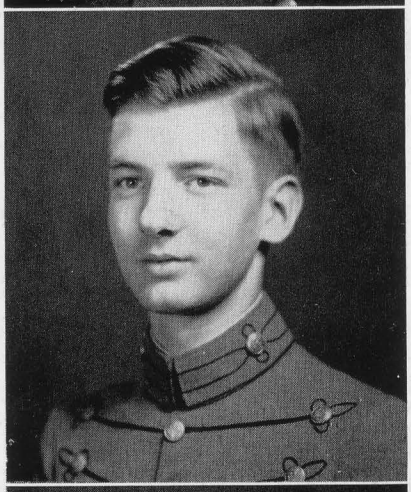

1947

EMANUEL MICHAELS

"Manny"

"Manny" has been at A.M.A. two years and I know all the German classes will miss his helping them out when they have a tough assignment. All his fellow Norfolk boys will miss his company too. Someday when you are a famous doctor, drop by A.M.A. and tell Colonel Roller all about it.

WILLIAM T. BRYANT

"Bill"

Bill has been at Augusta one year, yet he stands high as a member of the rifle team. He has fired at all the matches and has helped our team to come out on top. He has swayed the judges in his debating also. We wish him the best of luck at V.M.I. We know if he is as successful there as he has been here, he has nothing to worry about.

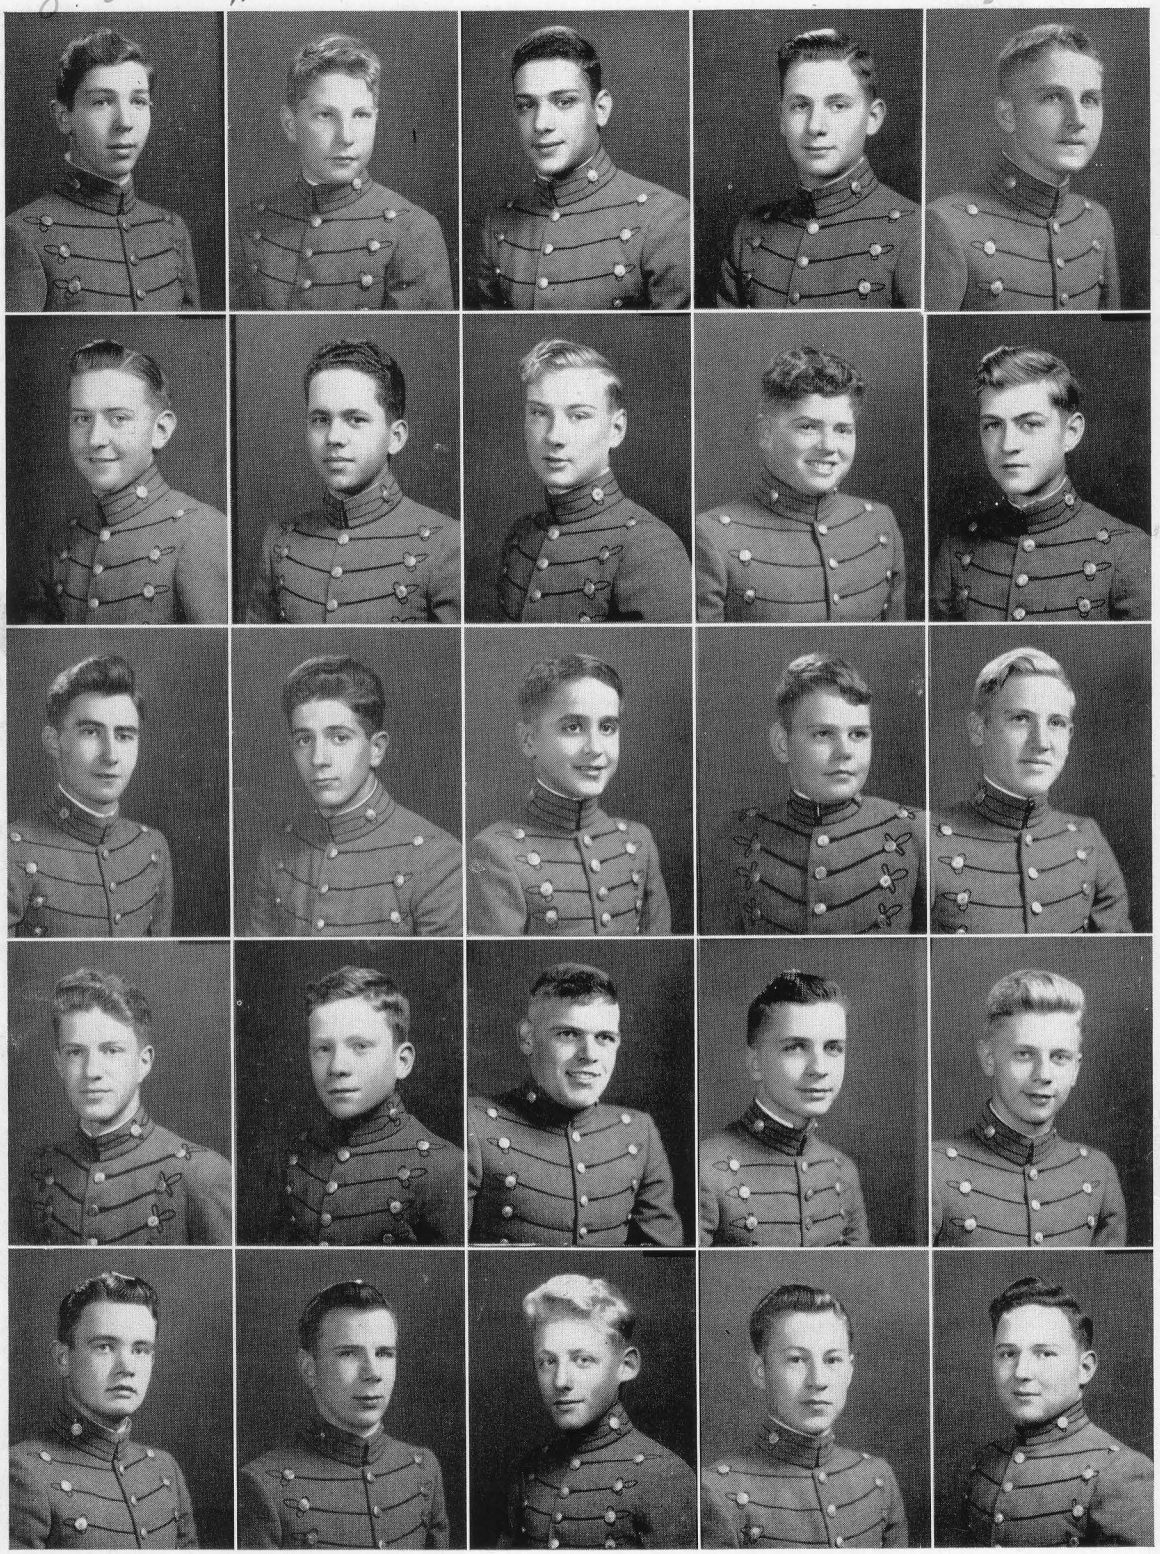

LESLIE D. SMITH, JR.

"Bim"

Bim has been at A.M.A. one year. He is one of our best new cadets. He is also a good student. He and Colonel Gardner get along all right with the French lessons. A lot of the boys will miss the help they used to get in French when Bim leaves this year. We all wish you all the luck in the world and we know you will be as good a cadet at V.M.I. as you were here.

Book Three
MILITARY

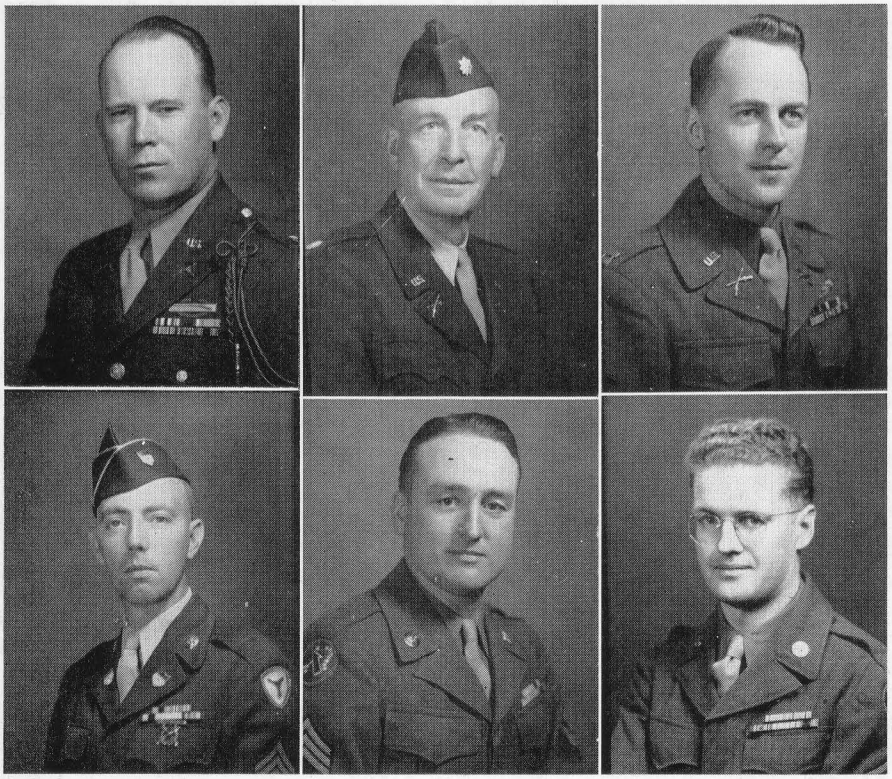

COLONEL R. H. GARITY
P.M.S. and T.

MILITARY TACTICAL DEPARTMENT

Augusta can boast of many features, but one of the most outstanding is the military department. Colonel Garity, our Professor of Military Science and Tactics, during the one year that he has been with us, has won the respect and admiration of the entire corps. Major Dunn has done a wonderful job as a tactics teacher and morale builder. Major Blackburn, though only here the first part of the year, did a lot toward raising the standards of our school. Sgt. Michaels, due to his long years of military service, has been a definite asset in making Augusta. Sgt. Brenneman has recently been assigned to, and has done much for the school, due to his seeing the cadet's view-point on many things. Sgt. Metcalf has done a very good job as an assistant to the P.M.S. and T. The most recent addition is Capt. Searls who has contributed much to the success of our military life.

THE N.C.O.'s OF AUGUSTA 1946-47

It is with pride that the RECALL prints the list above of the NCOS for 1946-47. In the recent history of the school it is very difficult to find a better set of qualified cadets to hold the offices below that of First Sergeant. The above have truly been the backbone of this year's outstanding corps and no greater praise can be awarded them than to say that they have filled their offices with decorum befitting that of the office with which they have been entrusted. We salute them for their performance of duty during the past year.

Augusta	33	Miller School	0
Augusta	0	Fishburne	6
Total	109	Opponents	183

The 1946 football season opened with Augusta traveling to Petersburg, Va. to meet one of Virginia's foremost high school elevens only to be defeated decisively. Despite the lopsided score, Augusta put up a game fight against odds. Buster Moore starred for AMA and pulled us out of many a hole with his fine punts.

The second game of the season was with the powerful VMI "B" Team. As in the first contest we were outweighed and out maneuvered. Despite these odds VMI was forced to the limit many times throughout the contest. AMA's lone tally came with a pass from Ducey to Stringfellow. Hitchens and Don Litchfield also starred for the blue and white eleven.

The next game was played in a sea of mud at Randolph Macon with the mud being the deciding factor in the outcome. Augusta took the attack at the beginning of the game and quickly scored with Ducey going across in the first period. Lulled to false security by this easy score Augusta remained content only to loose the ball on a fumble on our thirty. Taking advantage of this sudden break RMA started their only attack and scored and added the extra point which gave them the game.

The next contest saw Augusta easily defeating a stubborn and fighting Hargrave eleven. Jack Harbison and Bill Messick accounted for two tallies while Don Litchfield, Bobby Bowie and Don Heppner scored once. The feature of this game was a return of a Hargrave punt by Don Heppner for seventy-five yards and a touchdown.

Fork Union came to Fort Defiance and easily downed the Blue and White team. Our attack was spasmodic and had it been confined to one attack we would have scored but this was not the case and our mistakes turned into tallies for our opponents. Ducey was outstanding for AMA.

Greenbrier Green Wave was the next team to romp over Augusta. Buster Moore's fine kicking stayed off many a Green Wave threat. Don Litchfield made a beautiful run for a gain of thirty-eight yards to highlight our offense.

Massanutten did this year what they have tried for many a year when they defeated AMA for the first time in years. Our ends, Jones and O'Donnell and our backs, Phillhower and Ducey made many outstanding gains for Augusta. Ducey, with the help of Sykes (a guard) tallied for us.

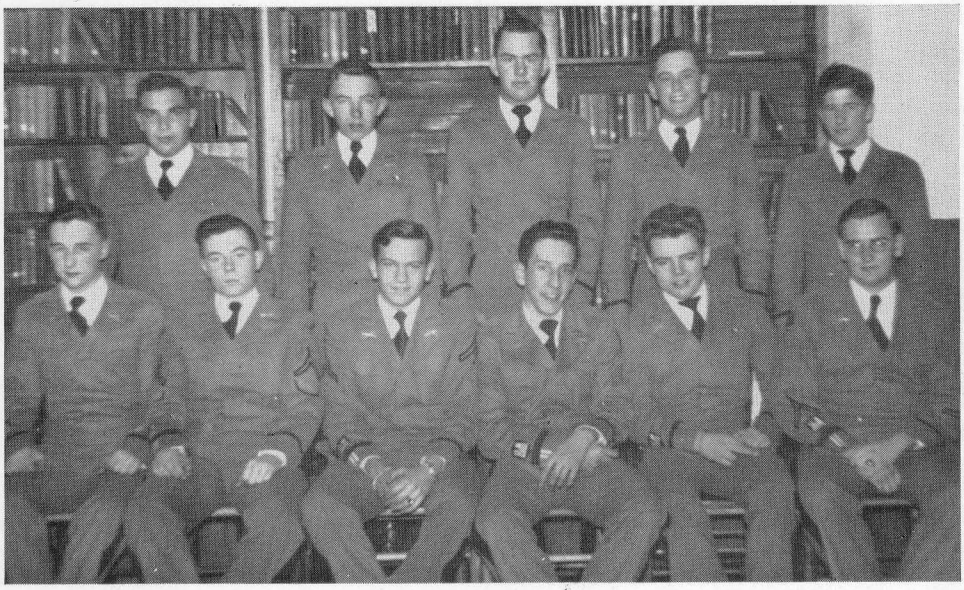

Our encounter with Washington and Lee Junior Varsity created a minor upset by defeating a highly favored opponent. In this game for the first time this season against a superior opponent our attack got under way and payed off dividends. Rahly Rhodes intercepted a pass and ran forty-five yards for the first tally. Harbison taking a lateral from Ducey made the second touchdown. K. D. Moore made the extra points.

Miller School proved little competition in our next game and we easily defeated them. Ducey starred by throwing all of his passes to the waiting arms of our receivers. His thirteen passes with eleven of them being completed for a gain of 249 yards hit the headlines. Bowie with three tallies, Eddy and Moore accounted for the scores.

The final game of the season—the annual classic with Fishburne—was disappointing to the hearts of thousands of loyal Augustamen when Fishburne for the first time since 1940 defeated AMA by the narrow margin of 6-0. The first quarter was slightly in favor of AMA but from then on the game seemed to go in favor of our opponents with their tally coming in the second period. AMA came to life in the closing minutes of the game when Ducey brought the stands to their feet with a beautiful run of thirty yards. He added to this a pass to Harbison which carried the ball to FMS' thirteen as the game came to an end.

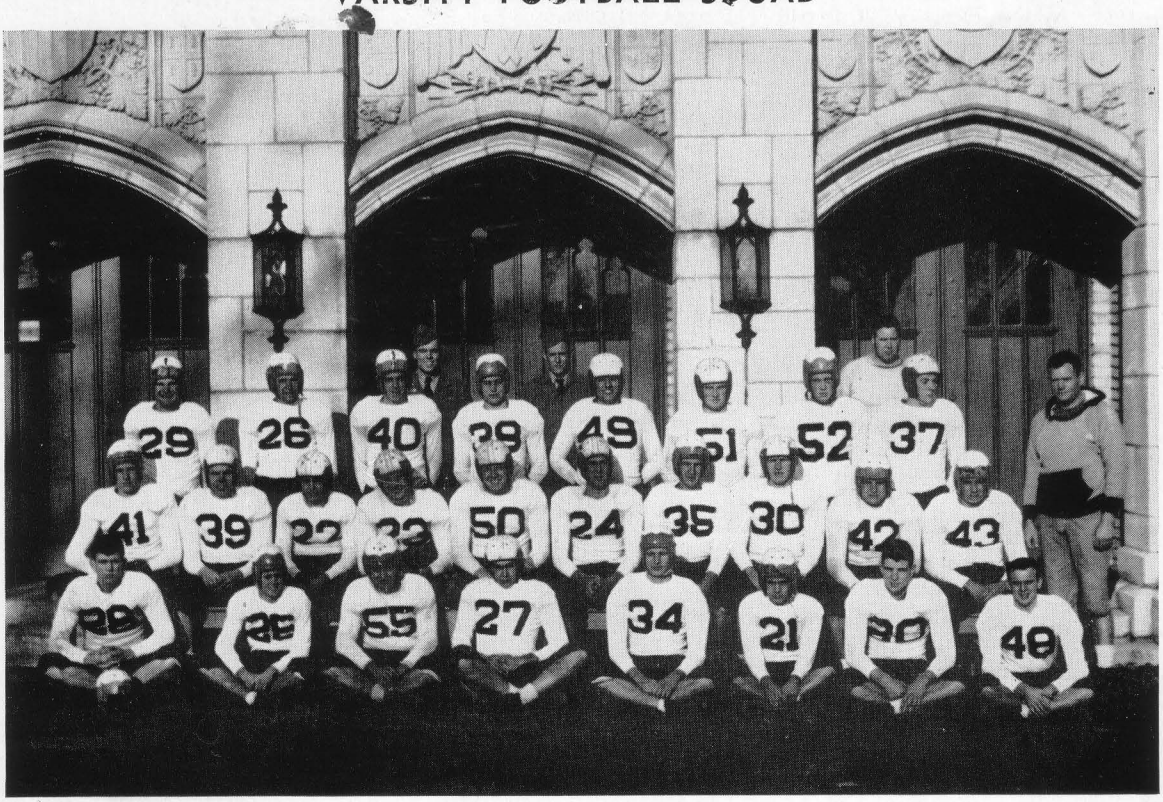

Coaches George Chapman and Lee McKinney are to be congratulated for the excellent job they did in building this sportmanlike team.

150 LB. FOOTBALL TEAM 1946

Augusta	0	Fishburne	0
Augusta	7	Waynesboro	0
Augusta	0	Lee High	0
Augusta	7	Waynesboro	7
Augusta	7	Fishburne	18
Augusta	14	Culpepper	0
Augusta	13	Fishburne	19
Augusta	19	Fishburne	13
Augusta	33	AMA JV	0
Augusta	40	Valley High	0
Totals	140	Opponents	56

This was by far the most successful 150 lb. team in the school's history. In the opening contest with Fishburne Jayvees the 150 pounders played FMS all over the field but seemed unable to score. Rhea and Bradford starred. The next game with Waynesboro saw our team outpointing the Little Giants in every department and scoring with Adelberg going through center and Young converting for the scores.

The next game with Lee High saw our opponents stalled at every try only to have our well planned attack bog down five times within the five yard marker and one a half yard to go. Neff, Lacy and Adelberg playing pro-football.

Waynesboro again fell before AMA with a pass from Singers to Young for a td.

In the second game with FMS at AMA, Augusta started down the field for a tally only to have the pass intercepted by an alert FMS back. This decided the outcome of the game as our team did not recover until the final period when we put a td and extra point.

While our varsity was playing away Culpepper Jayvees visited Ft. Defiance and met defeat at the hands of the Tigers. Adelberg scored first with the extra point on a pass from Singers to Young. Fouracre intercepted a pass and ran thirty yards for another td.

In the third game with FMS at FMS we again started off with a bang and scored early only to have FMS retalitate and even the score and score twice more. Late in the final period Bradford completed a forty yard pass from Singers for the final score.

In the final game of the FMS series the Tigers outpointed FMS in every angle and easily won 19-12. Bobby Rhea scored first; Bradford on a tricky pass completed the second and Adelberg brought in the winning tally.

Next the Augusta Jayvees were swamped by the Tigers. From the first few moments there was no doubt as to the outcome and the Jayvees were stopped at every try.

In the season's finale for the Tigers the Valley High Varsity came and went away on the short end of a 40-0 score. In this game every play of AMA worked and to perfection. Singers scored three times on fifty, fifty and a 99 yard run. His interception of a VHS lateral on his one yard marker and running the entire length of the field to score standing up was the highlight of this game and the season. Rhea and Adelberg also scored. Major Paul Hoover is to be congratulated for this fine work with this outstanding junior eleven.

130 LB. FOOTBALL TEAM 1946

Augusta	7	Waynesboro 0
Augusta	14	Staunton Boys Club 0
Augusta	12	Waynesboro 6

The youngest of AMA's junior teams made a fine record for itself this past season by winning all three of its contests.

In the opening game of the season the Blue and White lightweights easily defeated the Waynesboro's Junior Varsity Reserves 7-0. Early in the contest AMA took the attack and quickly marched down the field for a td and extra point when Barnes plunged over and Gliboff converted on a pass.

The second game of the season saw lightweights meet a real challenger in the newly organized Staunton's Boys Club . In the opening periods the game was fairly even and then the blue and white eleven started putting on pressure and power plays after power play with Neff and Adelberg taking turns carrying the ball for the two tallies. The Boys Club never seriously threatened beyond our thirty yard marker so strong was our line and defense after that marker.

In the final game of the season Waynesboro came to Ft. Defiance and threw a scare into our ranks when they up and tied the scored in the second quarter after we marched to an apparently easy tally when Barnes went through center for the first tally. After Waynesboro tied the score Augusta came to life and started another march down the field that netted them the second and winning tally with Neff going off end for thirty yards and the game. Captain D. W. McKinney is to be congratulaed for his fine working with this outfit.

Rear Row—Warne, Cole, Paxton, Rudolph, Barnes
Front Row—Cowell, Sites, Gibbs, Kotz, Lamon, Young R. F.

West	11	0	22
Powell	10	3	23
Bradford	2	0	4

The 1947 Basketball Season will go down in the history of all teams as one of the most outstanding. The team cleverly built by Coach George Chapman around our stellar and all-state center, Jimmy Slaughter, surrounded by four seasoned assistants Winecoff, Mackey, Reed and Gliboff, plus reserves of exceptional ability as Muncey, Bradford, Powell and West, easily romped through their stiff schedule with a most impressive record. As was to be expected Slaughter led his teammates in every game and easily topped all aspirants in high scoring for the state record. This was due greatly to the superlative help given him by his teammates.

The opening two games were with Waynesboro Hi which although composed of veteran fighting quintets proved no match for the Blue and White Five. These games plus the next two with a strong Harrisonburg Five predicted that our five was the one to be reckoned with in the coming season—a prediction that has come to be a reality.

The next two games with the VMI Jayvees and the Harrisonburg All-Stars saw us pressed by veterans teams but we came thru. Winecoff and Mackey followed Slaughter in VMI while Winecoff came second against HHS Stars.

Greenbrier came next and to administer us our first and only defeat this season. Reed was second with nine points.

Massanutten met us twice only to taste defeats. Reed, Mackey and Winecoff led the trail set down by Slaughter.

Fishburne was our next victim and we avenged our defeat in football last fall by a decisive margin. Reed, Gliboff, Mackey took second honors.

Hargrave was swamped in the next contest. Winecoff came near tieing Slaughter in points.

W. and L. Jayvees were nosed out without much trouble with Winecoff and Reed taking second place again.

Greenbrier came next to AMA and were trounced to avenege our first and only defeat. Winecoff almost topped Slaughter in this game. Reed was next.

Woodberry Forest was our next victim and we duplicated our wrestlers by downing them although by a close margin. Reed was second in scoring.

In the return contest with W.&L. Jayvees we again demonstrated our superiority with Reed and Mackey in second place honors.

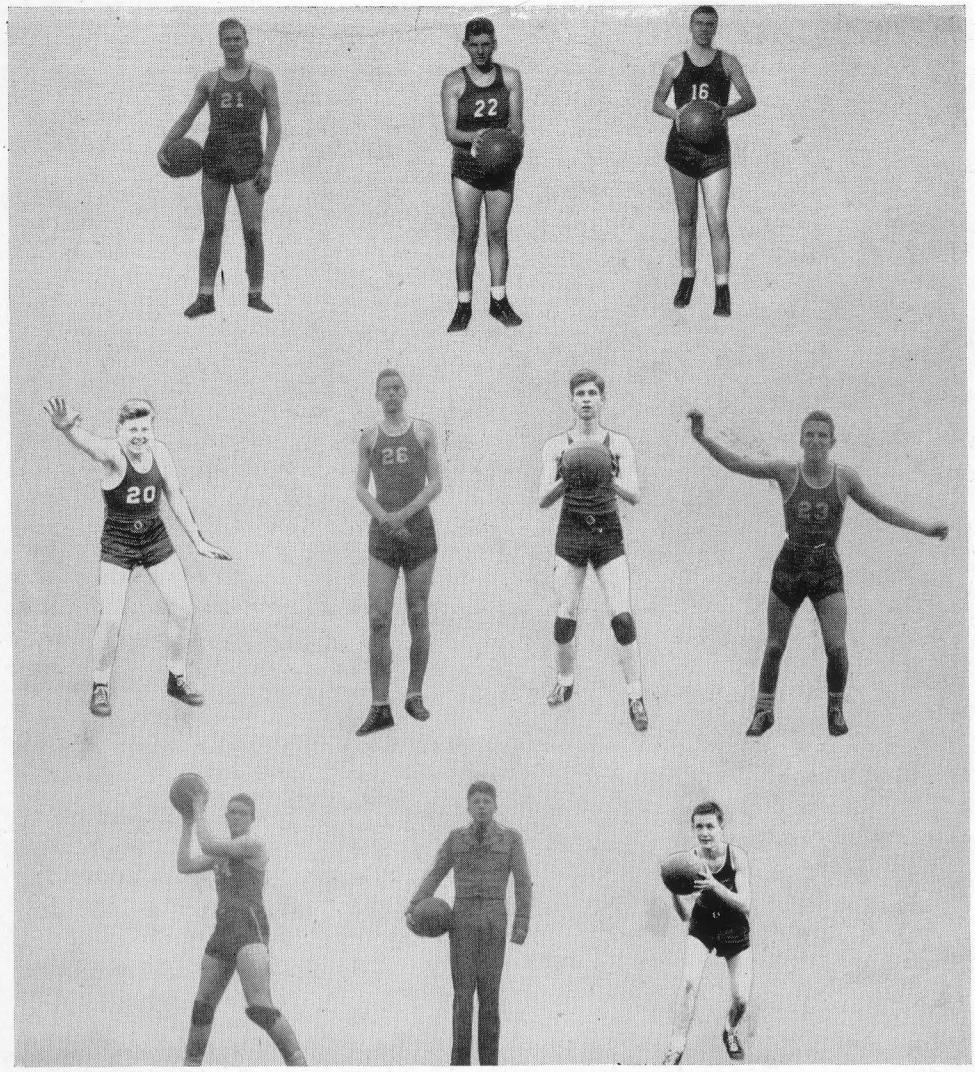

Fork Union was met in two games and once we had little trouble defeating them in the first game but lost the second.

In the first game the scoring was evenly distributed among the entire team. In the second Reed and Mackey and Winecoff copped second place honors.

VMI Jayvees came to Ft. Defiance and were easily swamped. Slaughter was way out in front with forty-five points.

In the season's finale Fishburne engaged us in their gymnasium and we again paid up for our football trouncing. Again Slaughter ran wild with twenty-one points to be followed by Winecoff, Mackey and Reed.

The entire team deservse all the credit possible to be bestowed upon them for their prowess this past season. Captain George Chapman has again demonstrated that if given the material he can and will mould a fine team. Congratulations Coach Chapman!

Capt. Chapman

Front Row—Mackey, Winecoff, Slaughter, Muncey, Reed, Gliboff

RESUME OF 1947 SWIMMING TEAM

The Augusta natators opened their season by dropping a close, hard fought meet to V.M.I. in the latter's pool. The Augusta men earned four first places, and the meet was undecided until the last event. Scoring for A.M.A. were: Neff, Winn, Seibold, Freshman, Click, Sellers, Buch, Phillhower, Grove, Mentzer, Kirby and Parker. The final score was V.M.I. 36, A.M.A. 30.

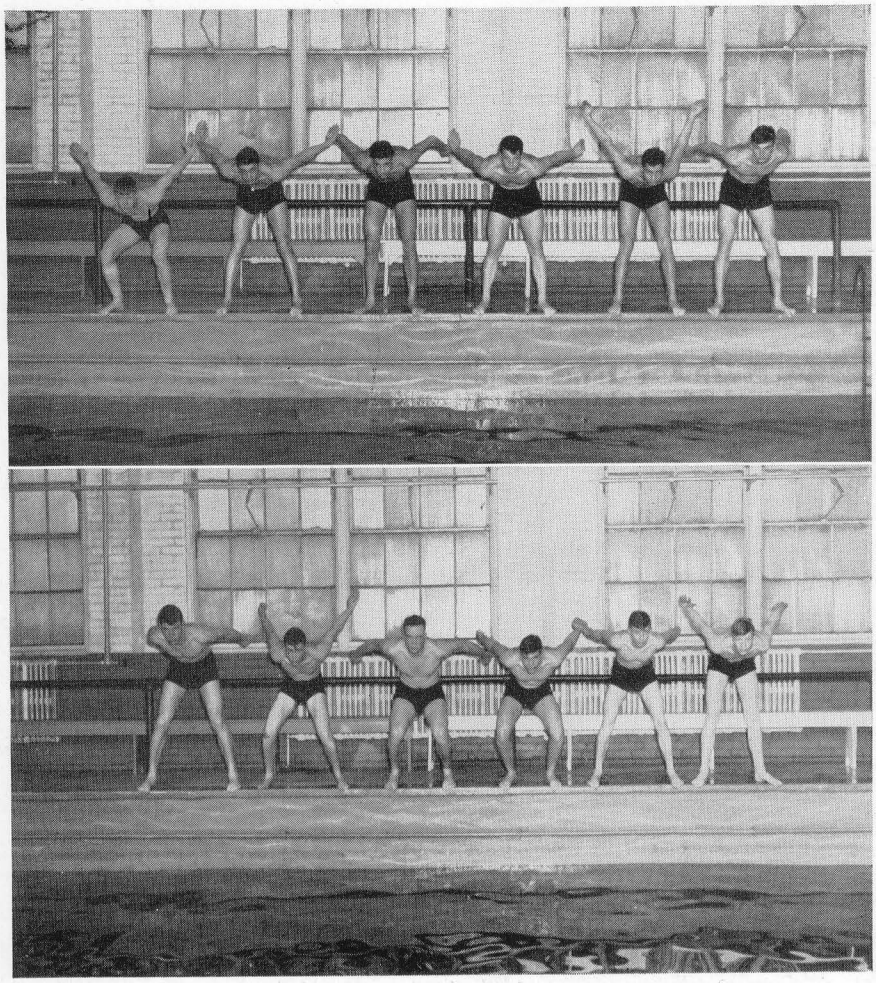

On the following day the "Blue and White" tankmen traveled to Waynesboro where they defeated Fishburne Military Academy by the decisive score of 43-23. Augusta took five out of the possible eight first places, and some excellent times were obtained by members of both teams. High scorers for A.M.A. were: Neff, Winn, Seibold, Freshman, Sellers, Phillhower, Click, Mentzer, Kirby and Parker.

A week later the A.M.A. swimmers were again wore out by the powerful V.M.I. team at our own pool. Every event was closely contested with A.M.A. taking four first places. Outstanding on the blue and white squad were Neff, Seibold, Freshman ,Click, Sellers, Parker, Mentzer, and Grove. Special mention is due the medley team of Click, Seibold, and Grove who easily won the event in excellent time. The final score was 37-29 in favor of V.M.I.

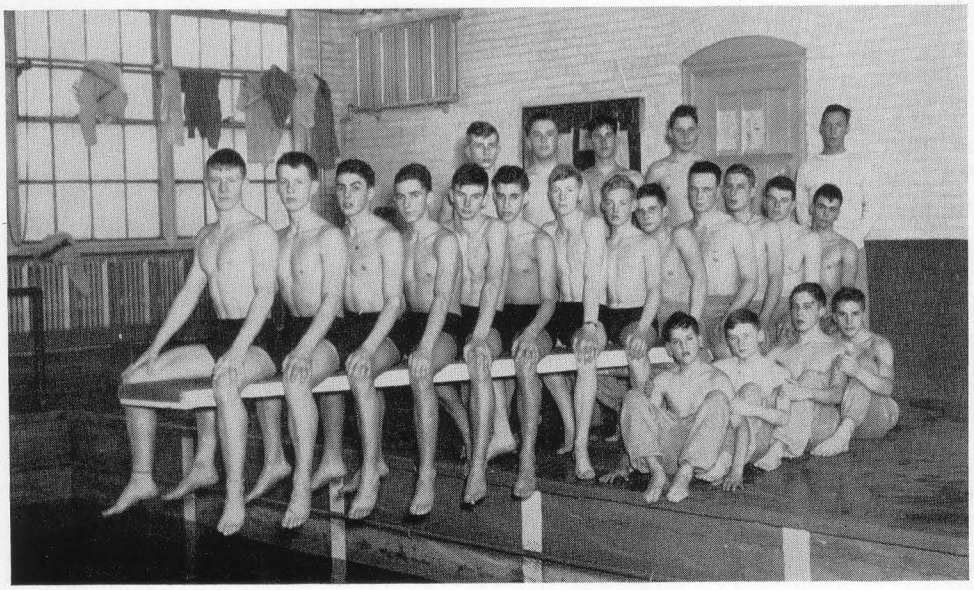

The A.M.A. mermen then traveled to Annapolis where they took the short end of the triangular meet with Navy and Allentown. The powerful Navy team easily won the meet but it was a closely contested race between Augusta and Allentown for second place. Swimming for A.M.A. were Neff, Winn, Seibold, Freshman, Click, Ibarra, Sellers, Philhower, Parker, Buch, Mentzer, Kirby and Grove. Although the boys did not win, much credit is due them for the fine showing they made.

On the following Monday, Augusta journeyed to Washington, D. C. where they met the Ambassador Hotel Swimming Club, National A.A.U. champions of the preceding year. The meet was closer than the score of 43 to 23 might indicate. Exhibitions were given by some national diving and swimming champions. The meet attracted an immense crowd. Swimming for the "Blue and White" were: Neff, Winn, Seibold, Freshman, Sellers, Philhower, Click, Lamon, Parker, Mentzer, Kirby and Grove.

In the final meet of the season Augusta swamped Fishburne. Ernest Click won his speciality to become high point for the meet. John Seibold and Sam Neff, breast stroker and free styler took the medley in 1:32:8 to remain undefeated throughout the season in six meets. Other first were won by Mentzer in the dives and Seibold in the breaststroke. In the Nationals every man entered won a place with Click coming in second in the backstroke.

Augusta 17	West Point 10
Augusta 6	Baltimore City College 3
Augusta 6	Patterson Park High 3
Augusta 12	U.S.N.A. Plebes 15
Augusta 5	Baltimore City College 4
Augusta 5	Fork Union 0
Augusta 18	Haverford College 9
Augusta 18½	Penn Charter 8½
Augusta 31½	Valley Forge 31
	Penn Charter 17½

The 1947 Fencing Season was by far the most successful in the history of this sport at this school. The three weapon team forged to new and greater heights in the most extensive schedule of any prep school. The foil team was composed of Jackie Field, Dave Ducey, Al Tomlin and Bill Aldrich; the epee team of Major Smith, Sam Conley, Lew Lepper and Lloyd Henry, the sabre team of Bobby Bowie, Tom Fouracre, Hal Inskeep, Bobby Rhea. In addition to this team was another group made up of Fetner, Annette, Guerreri, Gonzales, Wagner who made a name for the school by defeating Fork Union and making a good showing against other schools. With the sabre team entirely green and the epee unit practically so, the record is excellent. The opening meet of the season was with Riverdale Country School of New York City with our opponents winning 17-11. This defeat was not unexpected as Riverdale had a veteran team of three years standing. Nevertheless Field, Ducey, Tomlin, Smith, Bowie and Inskeep proved their metal in this opening engagement.

Next on our list were the West Point Plebes who fell before our onlaught to the tune of 17-10. In the foil Field, Ducey and Tomlin took two apiece; in the epee Smith with three and Conley with two with Lepper with one; in the sabre Bowie and Inskeep shared honors with Bowie taking three and Inskeep two.

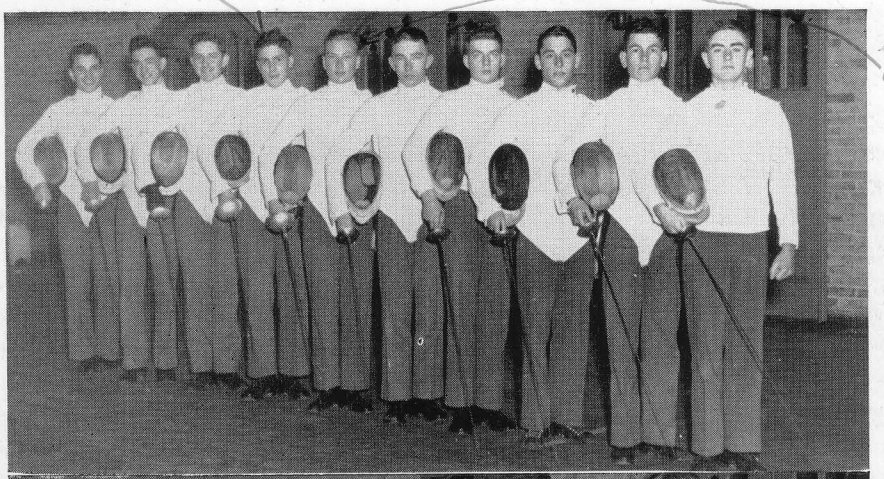

The next trip took the team to Baltimore where they took two from City College and Patterson Park Hi both by the same score 6-3. City College had won seven straight matches until this defeat by AMA. Against City, Field won all his three with Ducey winning two out of three and Tomlin taking one. Against Patterson Park, Ducey took three while Field won two and Aldrich 1. The next afternoon the Navy Plebes were engaged in what was our most sepctacular meet of the season. For the first time in Navy's history they lost an engagement in foil. AMA won 5-4 with Ducey and Tomlin taking two and Field one; in the sabre AMA threw a scare in Navy's rank by losing 4-5 when Bowie won two and Rhea and Fouracre taking one apiece. In the epee we garnered only three points when Lepper won two and Smith one.

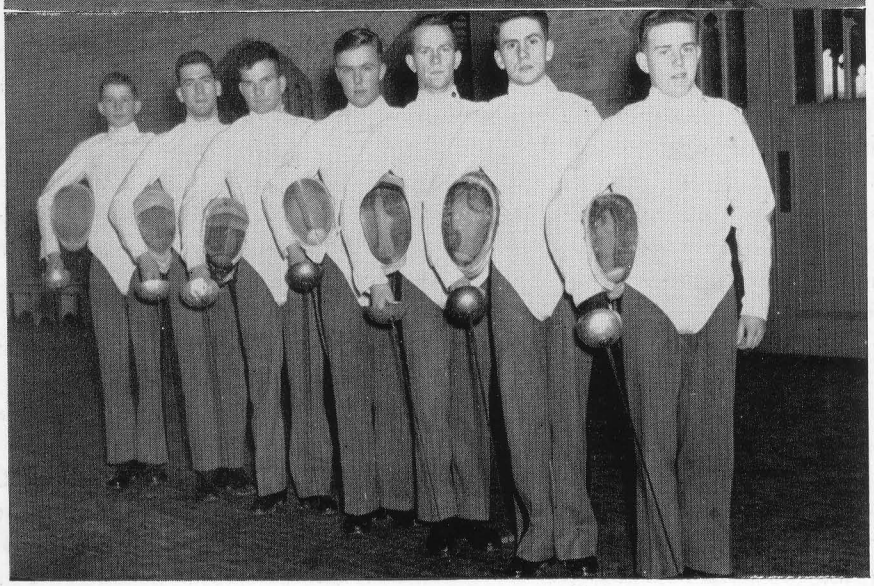

The next meets were a triangular affair with City College and Fork Union. Here AMA won two more when AMA's first team easily defeated City College 5-4 and the Junior Varsity downing Fork Union easily 5-0. Ducey, Field, Tomlin were the stars against City while Annette, Wagner, Gonzales shared honors aganst Fork Union.

Haverford College and Penn Charter were our next victims both being defeated very decisively. Against the former in sabre Bowie won three, Rhea two and Fouracre one; in foil Field and Ducey won two and Tomlin one; in epee Henry carried off the honors winning all three, Lepper and Smith winning two. Against the latter in foil Ducey lost the only point while Field, Tomlin and Ducey had a fielday; in sabre—Bowie won all three, Fouracre and Rhea two apiece. In the epee Conley, Lepper, Smith won easily. In the the triangular meet with Valley Forge and Penn Charter AMA emerged ahead of the other two by the scores of 31½ to 31 for VFMA and 17½ for Penn Charter.

Major Paul V. Hoover is to be congratulated for his wonderful work in this sport.

To a swell guy
Alan Greenwood

To a swell fellow
Ronnie Faircloth

WRESTLING RESUME FOR 1947

Augusta	19	V.S.D.B. 3
Augusta	20	W&L JV 20
Augusta	21	Woodberry Forest 16
Augusta	3	V.M.I. JV 21
Augusta	22	Winchester Club 10
Augusta	16	V.P.I. JV 14
Augusta	13	V.P.I. JV 14
Augusta	31	W&L JV 3
Augusta	12	Woodberry Forest 15
Augusta	11	V.M.I. JV 17
Augusta	21	West Va. D.B. 3

The 1947 wrestling season will be remembered for a long time as the team that defeated Woodberry Forest. This dream cherished for the past three years came to reality and the fruits of this victory alone made the season a success. Notwithstanding this victory the squad turned in the most remarkable record of wins in the past ten years. Beginning with a large carryover of material from last year's squad plus the entrance of some experienced grapplers plus the services of a full time wrestling coach in the person of Mr. Goodman the year was destined to be successful and it fully lived up to its expectations.

Under the leadership of Tom Callahan and Joe Adelberg took the VSDB on early in the season and easily trounced them 19-3. Duncan, Philopoulous N. won by decisions while Warne, Gregory, and Turner won by falls.

In the next meet with the Jayvees of W&L we met with a tie. It is a coincident that every bout was either lost or won by a fall. Warne, G. Philopolous, Callahan, Adelberg, won our portion of the tie.

The next meet was history making as far as AMA was concerned. This was the meet with Woodberry and the win brought us our cherished desire. Warne, Gregory, Rhodes did their part by pinning their man while G. Philopolous, Callahan, came up with decisions to clinch our first victory over WF in many years.

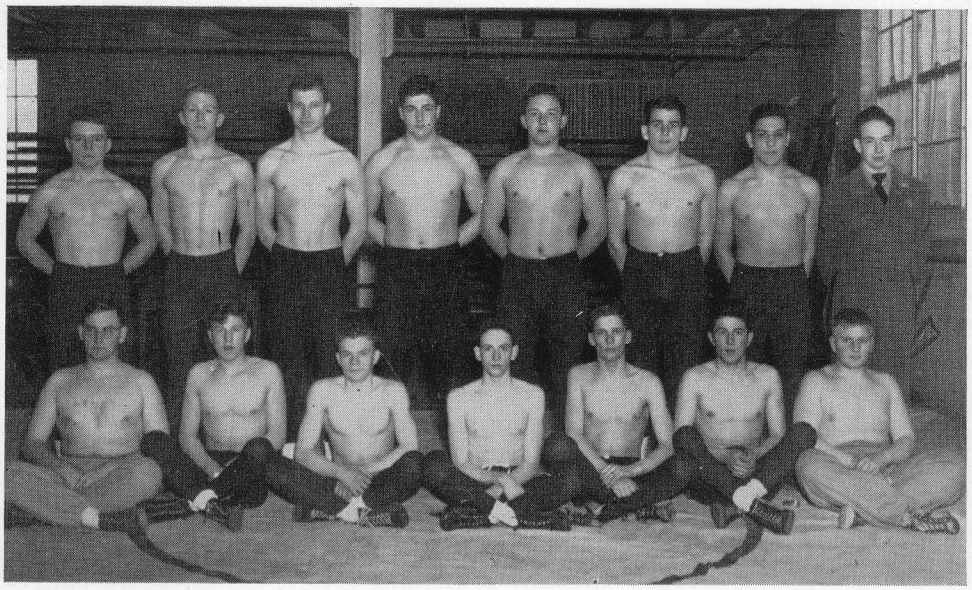

Flushed with the fruits of victory we got lax in our next meet which was with V.M.I. and we were decisively defeated 21-3. Joe Adelberg was our only shining light this afternoon when he earned a decision in the 155 lb. class.

Snapping back after this defeat we trimmed the Health Club from Winchester 22-10 Duncan, Warne, Rhodes turned in falls while G. Philopolous, Callahan, N. Philopolous, and Adelberg carned decisions.

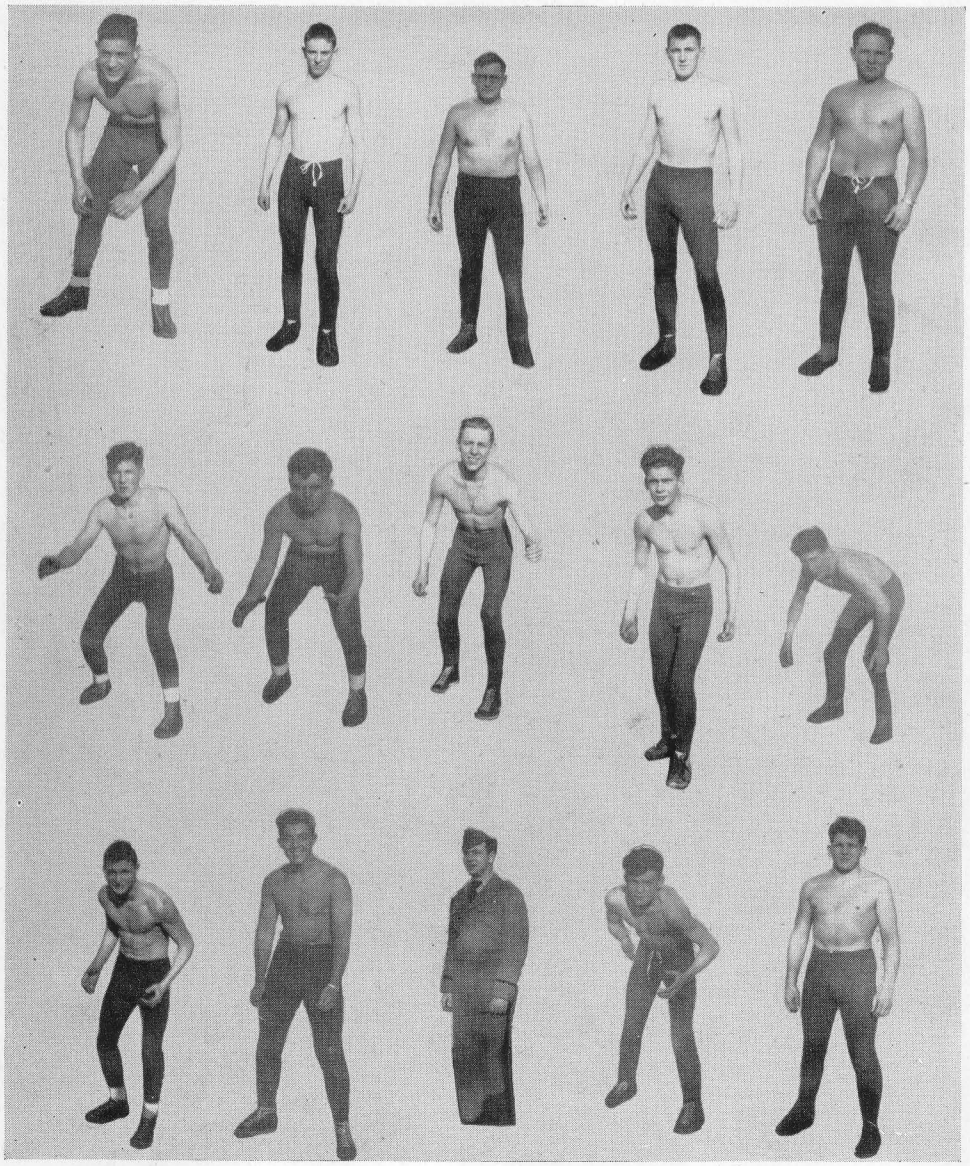

The next two meets were with the Jayvees of VPI with the meets being divided between the two schools. We won the first and lost the second by almost the identical score. In the first encounter Warne won by forfeit while Callahan won by a fall with N. Philopolous and Adelberg bringing in decisions. In the return meet VP nosed through by a one point margin even though they did forfeit the Heavyweight class. G. Philopolous and Callahan won decisions with N. Philopolous getting a draw.

The return meet with the W&L Jayvees saw us romping all over our opponents 31-3. Warne, Callahan, Adelberg, Rhodes and Larus won by falls while G. Philopolous, and Turner won by decisions.

The next meet was with West Va. School for the Deaf and Blind which proved to be comparatively a good workout for our team as we won easily 21-3.

Standing—Gregory, Callahan, Turner, M., Larus, Bowers, Rhodes, Adelberg, Lowery
Sitting—Crowgy, Philoupolous, G., Warne, Duncan, Howard, Philopoulous, N., Cohen

1947 RIFLE TEAM RESUME

1947 will go down in the history of Augusta as one of the most successful years for the AMA rifle team. Coached by Sergeant Brenneman the team has made a record that will stand for years to come. The team was captained by Howard Bangsberg.

The opening meet with Harrisonburg's Men's Club was won by HMC by the score 1314 to 1262. Cadet Bangsberg was high scoring man in this three position meet with 265.

Fork Union was our first victim by the score 1778 to 1612 with Cadet Bangsberg being high scorer in four positions with 272.

The next three matches were mail matches with New Hanover High School N. C. with Augusta winning 3447 to 3261 Cadet Huntsberry being high scorer for the four positions; Lafayette College nosed out Augusta 1382 to 1355 with Cadet Roberts high scorer for us in three positions; Evanston High School, Ill., losing to the Blue and White riflemen 5108 to 2388 with fifteen men firing on both teams and Cadet Scott being high scorer for AMA.

The high mark of the season came when we met the U.S Naval Academy Plebes. The final score was 1332 to 1327 for Navy the winner. Cadet Bangsberg was Augusta's high scorer with 274.

Massanutten fell next by the score 1325 to 1253. Cadet Huntsberry was high scorer for Augusta with 274.

The return match with the Harrisonburg Men's Club saw them again winning 912 to 898 with Cadet Huntsberry being high scorer with 187.

Fishburne next defeated Augusta 1332 to 1268 with Cadet Bangsberg being high scorer for Augusta with 264.

The next three matches were mail ones with New Hanover (NC) High losing again 3523 to 3384 with Cadet Bangsberg being high score man; Charlotte Hall Military Academy losing to Augusta 1331 to 1278 with Cadet Huntsberry being AMA's high man; another match with New Hanover High School losing again 3514 to 3355 with Cadet Bangsberg being AMA high man with 278.

In the return match with Fork Union we again won 1278 to 1233 with Cadet Bangsberg being high score man for Augusta with 265.

The next two matches were with St. Thomas M.A. and New Hanover High School with both meets being by mail. Augusta 3536 to 3513 with St. Thomas our high scorer being Huntsberry. New Hanover came closer but again lost 3529 to 3515 with Cadet Bangsberg being high man.

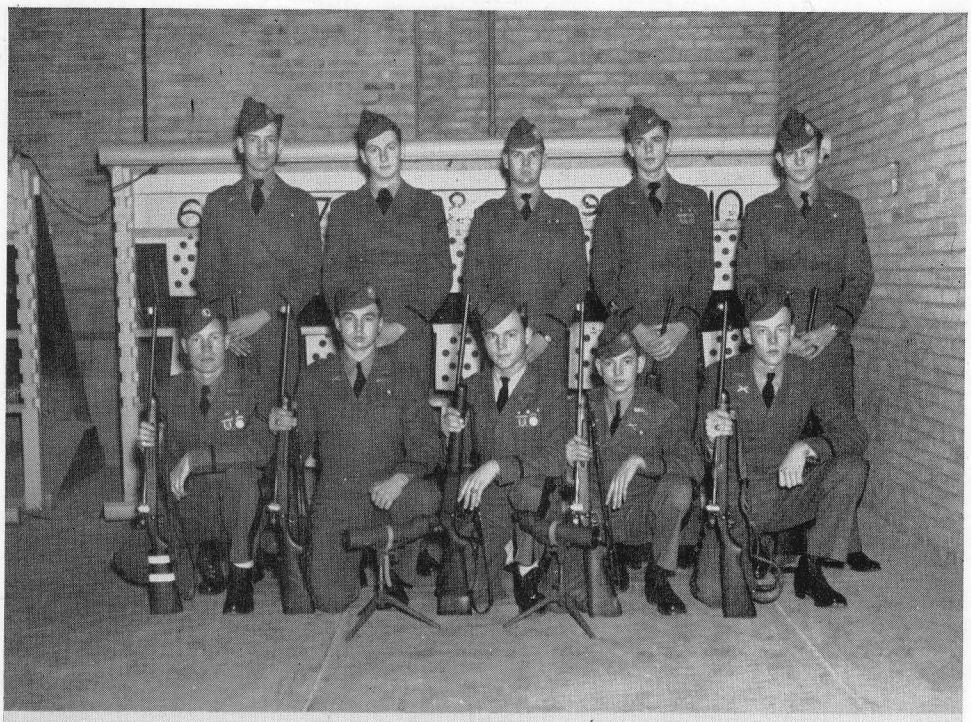

In the 6th Annual Marine Corps National Invitation meet Augusta placed sixth and with Cadet Bangsberg being our high man.

In the State Prep School Six Way meet Augusta placed third with Cadet Bangsberg being our high score man.

In the return meet with Massanutten, Augusta won with Cadet Huntsberry being our high score man.

This team deserves the highest praise possible for the wonderful record they have made this past season. Congratulations Sergeant Brenneman and Cadet Bangsberg.

The Junior Varsity Basketball quintet began their season with 5 starters back from last year; Forwards—Farley, Helmick; Center—Sanders; Guards—Steele, Hope. The team marched through a successful season with 7 wins to only 1 loss. Although the first 3 games were close; they began progressing to win by large margins. Steele and Hope, being elected Co-Captains, urged their teammates forward to win with flying colors. The combination of the lanky center and the speedy forward, Farley, led the teams scoring honors. With the fine floor work of Helmick and the backing of the reserves, the Kooglermen won top honors in the valley.

Barnes	Izenberg
Sollod	

The Tigers were under the guidance of Capt. Kramer and Capt. McKinney. Their assistance was invaluable to the players. Captain of the team, Bill Woodie, Co-Captain was Bob Englehart, manager and player was Ben Gibson.

The season was opened against Mt. Sidney, on their own court. At the first half, the Tigers were in the lead. The game ended with Mt. Sidney the winner by four points.

The second game of the season was a return game with Mt. Sidney on the Tigers court. Guards, Harry Salzman and Bill Woodie set up Lora as high score of the game, with 21 points. This game was a come-back from the defeat on their court.

Next came the game with New Hope, on their court. It was a tight game, and ended up with New Hope the victors, by three points.

The return game with New Hope, on the Tigers court was another come-back with a win 36 to 20.

The last game of the season was with Stuarts Draft. The Tigers made their last game a win, on the opponents court. In the first quarter, A.M.A. boomed ahead, and stayed ahead all through the game. Bob Englehart set Larry Salzman and Richard Dutton to be tied for high score. This ended the season with a good record.

1946 SPRING SPORTS

STATE CHAMPION BASEBALL TEAM

A.M.A.'s nine have had a very successful season this year, captained by Bill Koellmer and pitched to victory by a most able staff of hurlers.

They started the season with a bang by swamping Beverly Manor 18-5. Moore lived up to all expectations by pitching an exceptionally fine game.

The second game was with Hopkins Athletic Asso. Augusta winning 9-4.

The next game Fork Union handed us our first defeat 13-8. It was a fine contest.

We then bounded back to defeat Massanutten 8-1 with Moore allowing only five hits and Tyrrell hitting a home run that traveled 365 feet in the air.

Randolph-Macon was the next to suffer a defeat to the Blue and White. Sykes pitched us to a 3-1 win.

Augusta rolled up another victory against Hargrave 11-9, followed quickly by a 6-1 win over Fishburne.

The Blue and White won a decisive victory over Massanutten 19-3. A good game.

Playing a return game with Hargrave we were nosed out by a score of 5-4.

The Kooglermen then invaded the hills of W. Va. to defeat Greenbrier 8-2. In a return game we easily defeated the same team 11-3.

In the last game of the season the team put out all that was in them to win a most decisive victory over Fork Union 4-3. A very close game, a fine exhibition of both teamwork and sportsmanship.

This years team is considered one of the best teams ever to be seen at the Academy. Good enough to be declared Military champions of the state.

TENNIS

After five long years of silence, the A.M.A. tennis came forth with a mighty bang to make up for lost time. The first match was dropped to Fork Union with Coleman and Burton being the only ones to win. But the Augusta netmen then retaliated by downing Fishburne in a close 3-2 match. In the next meet, Augusta bettered their average by defeating Hargrave 6-3. Augusta led by Coleman, Burton, Lappin and Lepper went on to defeat a hard fighting Massanutten team in their two meets. In the second we copped the match 4-2. In the final match, the Blue and White courtsmen defeated their former conquerors, Fork Union in a nip and tuck battle with credit due the entire team.

TRACK

Starting with very few experienced men, the team developed through the weeks and season and progressed to a point where we placed fourth in the state meet. We had several trial meets with Staunton before the season officially opened and there the men were able to display their promise and talent on an official track. The first regular meet was with Bridgewater College, away. We came out on the short end of a 62-53 score. Our top miler, Tom Fouracre, captured the mile without any trouble. Don Heppner took the half mile and 100 yard dash. Spermo took the 220 and Judy and Simmons broke the tape in the high and low hurdles respectively. Lingerfelt, Snarr, Simmons, Dovale and Philhower won in their events. Levenson, Gordon, Lane and Adelberg also placed. The next meet was with Hargrave at home. Fouracre again won the mile, Heppner the 880 and 100. Judy and Simmons won the hurdle events. Snarr, Lingerfelt, Philhower did well in the field events. We won this meet 92-30. This was the last regular meet of the season. On May 14th, 11 men traveled to Charlottesville to compete in the state meet. Fouracre did it again by winning the mile. Don Heppner placed second in the 880 and Snarr placed second in the broad jump. Our mile relay team of Levenson, Grove, Winn and Spermo took third in that event.

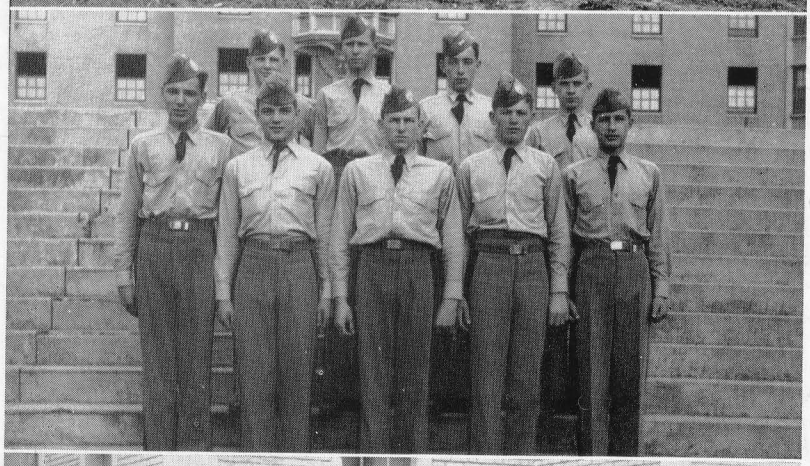

GOLF

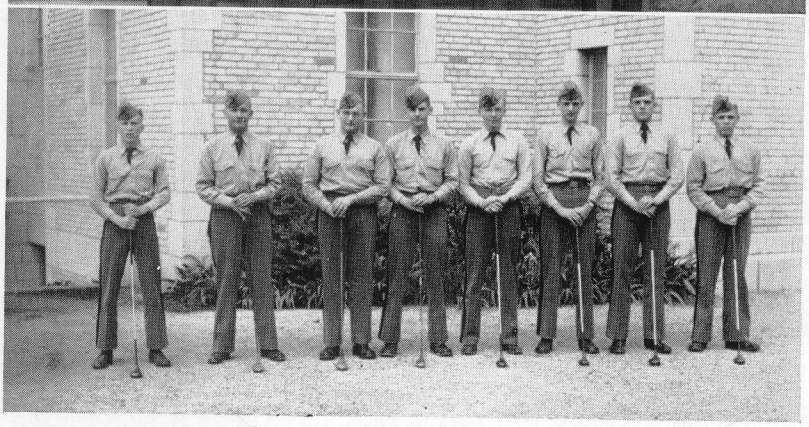

The first meet was lost to Woodberry Forest, 17½ to ½. Saxon and Brewer made the one half point by tying the first nine holes. Participants in that meet were the following: No. 1 Brewer, No. 2 Saxon, No. 3 Seibold and No. 4 Barber. The next meet was also lost to Woodberry Forest. The players were: No. 1 Saxon, No. 2 Brewer, No. 3 Barber, No. 4 Salzman, No. 5 Lever and No. 6 Sloss. Salzman, Barber and Campbell will return to our team next year and we hope that they will bring many wins to Augusta.

Best of luck to a swell guy Dick Hilding

Honor Committee
Y. W. C. A.
The Recall

THE STUDENT BODY

The student officers of Augusta, elected each year by the corps, consist of four officers, who in the eyes of the cadets, are the leaders to whom they may turn for guidance through the coming year. These four officers, in order to represent their fellow cadets must be of high character, ability, loyalty, and efficiency. These are but a few of the needed virtues. It is needless to state that popularity is the requisite of their selection, but a popularity founded not merely on personality or promises, but upon the recognition of high endeavor and truthfulness. To Mike Welch, has fallen the honor of president of the student body. At the end of the year he will leave holding higher esteem of the cadets than when he first began his administration at the beginning of the year. John Simmons, the vice-president, upheld his office with all the efficiency and dignity required by this important position. It is generally conceded that the capacity of any project or endeavor is no place for an idler, and the corps took this into consideration when they elected Bobby Bowie. Energetic, willing, and never tiring. Bobby administered his numberless duties in an inspiring way. Last, but by no means least, do we menton the treasurer, Jack Humphreys. Jack has shown that his interests lay in many different fields, but none are so pronounced as those pertaining to the welfare and the students.

These officers are "the cream of the crop." They are admired and respected and because of adaptness in every phase of school life, we laud them as they leave us "Magna cum laude."

Mike Welch, Bobby Bowie, J. B. Simmons, Jack Humphreys

HONOR COMMITTEE

Honor Committee, as the name states, is a group of cadets elected each year by the three upper classes. The cadets in this organization represent the top men of their classes and act as the judiciary department of our student government, having the power to dismiss or pardon a cadet who has broken the honor code.

If a cadet is tried by this committee for an infraction of the rules, the trial is conducted fairly. The defendent has a faculty member appointed to intercede. Witnesses must be obtained and sworn in, as in regular courts, even though investigation is carried out and the case is discussed completely. At the completion of the trial, the members cast their votes secretly, as guilty or not guilty and the penalty is inflicted by the committee men. The strictness and fair-mindedness of this body, is its pride.

COLONEL CHARLES S. ROLLER, JR.
Founder

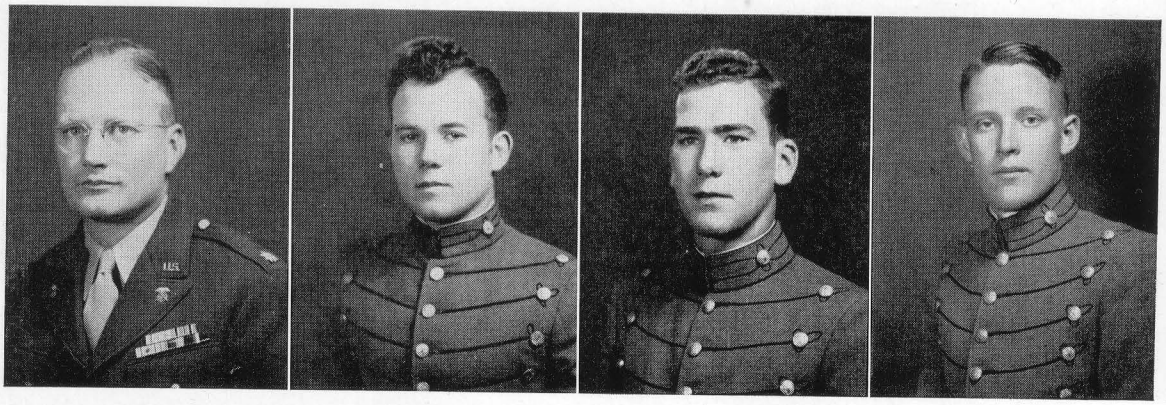

AD ASTRA PER ASPERA FRATERNITY

The Ad Astra Per Aspera fraternity was founded at this school June 3, 1924, by Major Charles S. Roller, Jr. Each year this fraternity has grown to be more and more sought after and valued with respect.

The election of members is held in June each year by the ten members of the faculty who have served the Academy the longest. They cast their votes for the ten cadets whom they think most worthy and desrving of the honor. The ten cadets receiving the highest number of votes became members of the Ad Astra Per Aspera Fraternity.

The faculty members are: Col. C. S. Roller, Jr. and Major McCue. The cadet members are: Cadet Captain Michael C. Welch, Cadet Captain Robert W. Bowie, and Cadet Lieutenant Paul H. Bratton.

All through life this honor follows the members of this great organization, bringing them good luck and success in all they attempt. The desire to attain honor by being a member of this fraternity inspires him to do greater things, thus winning him a place under the banner of "those who have succeeded."

Y. M. C. A.

From the day school opened until the day it closed, the "Y" proved itself to be Augusta's outstanding organization. Probably the greatest reason for its success this year is the many and varied programs that have been presented for the corps. The speakers have been selected from many sources. Religious and educational subjects are the most frequently chosen. Many of the meetings have been honored by an alumnus, who is always prepared to hold the interest of the cadets.

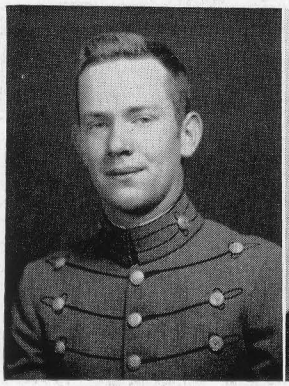

Let us express our keen gratitude to Mrs. Robinson for her excellent and unceasing interest in all the affairs of the "Y," not to mention the undivided diligence and interest shown us by our friend and officer, Major Hoover.

Roger Baer and Jack Harbison
Feature Editors
R. E. Bradford.....*Typist*
Major Paul V. Hoover.....*Adviser*

The *Bayonet,* our school paper, had some difficulty in starting this year but eventually the first issue appeared. What in quantity it lacked, it made up for with quality. Many new features were added and the old ones improved. With the new staff that has been appointed for next year, we are certain that the high degree of journalism will be carried on to greater success. The school is indeed fortunate in having Major Hoover in charge of all publications. There would be no paper without his efforts. Tom Fouracre also is to be credited with the success of the publication.

THE RECALL

The RECALL is the only thing that an A.M.A. alumnus will have to carry him back in his memories of the days of his cadetship. It is the authoritive presentation of the different phases of school life and classmates. Our goal has been to present to the 1946-47 Corps an annual that will stand as an all time high for bringing back the memories of Augusta.

Our staff, with the exception of a few, was chosen from inexperienced men but by their effort and devotion to work, plus the able supervision of Major Hoover, they present an annual that will be a tribute to them all.

Bob Freshman, as editor-in-chief, has done an excellent job in helping to publish this annual. Much credit is due Bill Aldrich and Tom Fouracre who very well filled their capacity as associate editors. Also serving as associate editors, Carter Wood and John Herring have proven themselves invaluable to the staff. Much credit is due Woodie, Jackson, Street, Sanders, and Seibold for their fine photographic work. The art work of cadet Jester speaks for itself.

DEBATING CLUB

The debating club, under the direction of Lieutenant Stone, has brought new, wide spread honors to the Academy. The club travels to schools throughout the state to match its powers of speech with their teams. The members are selected by a board of faculty officers. This years' members are: Cadets Aldrich, Callahan, Simmons, Walters, Sumner, Suarez, Nelson, Michaels.

ROLLER RIFLES

A rifle platoon has been organized at Augusta Military Academy in commemoration of the late Lieutenant Charles S. Roller, III. The "Charles S. Roller, III Rifles," consists of forty-two members; Col. Charles S. Roller, Jr., Honorary Commander; Miss Linda Moorman Roller, daughter of Lt. Roller, Honorary Vice-Commander; Cadet Captain Harry May, Commander; Cadet Captain Welch, M., Executive Officer; Cadet Captain Layng, Platoon Sergeant; and Cadet First Lieutenant Barber, Platoon Guide. To be a member of this organization you must first be nominated by the Honorary Commander and the Professor of Military Science and Tactics, secondly you must be approved by the standing Platoon. This has grown to be a rank of the highest military recognition. This year's platoon is:

Rear Row—Fisher, Aldrich, Barber, Bridges, Goffigon

BIBLE CLASS

The Bible class is one of the outstanding organizations at Augusta. It was started several years ago for the purpose of teaching the cadets something about the Bible. The class is purely voluntary, however, many cadets attend regularly.

The class meets each Thursday evening under the direction of Reverend J. M. McBryde, pastor of the Old Stone Church. He deserves a great deal more credit than is given him, for he is always anxious to give each member his full cooperation.

The classes are always very interesting and various questions are assigned each member for discussion. The entire class joins in the discussion, making the discussion beneficial to the boy and also the entire group.

THE AVIATION CLUB

Under the leadershp of Captain Thomas A. Roller, a group of air-minded cadets have banded together to form Augusta's first Aviation Club. Meetings are held twice weekly in the Aeronautical Laboratory—not only to provide recreation but also to learn what the cadets can from their veteran leader. A club room has been given them and the cadets have turned it into a place of enjoyment for all.

DANCES RECALL HONORS

THE COTILLION CLUB

Miss Dolores Shives
Leader

J. B. Simmons
President

Mrs. P. G. Simmons
Sponsor

Throughout the width and breadth of Virginia Augusta is renowned for their dances. Throughout the years, we have piled one huge success on top of the other. There is only one place that credit is due—The Cotillion Club. To them falls the task of planning and putting on every dance of the school year. To them falls the task of decorating the gym, having bids printed, collecting the money, and all of the hundreds of minor details that are necessary for a good dance. This year the dances have been better than ever before, for we have a larger corps and a more cooperative one. These factors, plus an excellent Cotillion Club, add up to a very successful social season.

The boys who deserve the credit are the officers who are: President, "J. B." Simmons; Vice President, Harley Hope; Secretary, Bob Freshman; and treasurer, Curtis Lowe. They are the men you can thank for the dances of this year.

DECORATING COMMITTEE

Standing—Gayle, Douros, Locken, Milstead, Morris, Hitchens, Ragsdale, St. Clair, Jacobson, M., Shappee
Seated—Freshman, Lowe, Hope, Simmons, J. B., Jester, Blankenship, Kammerman

THE FINAL BALL 1947

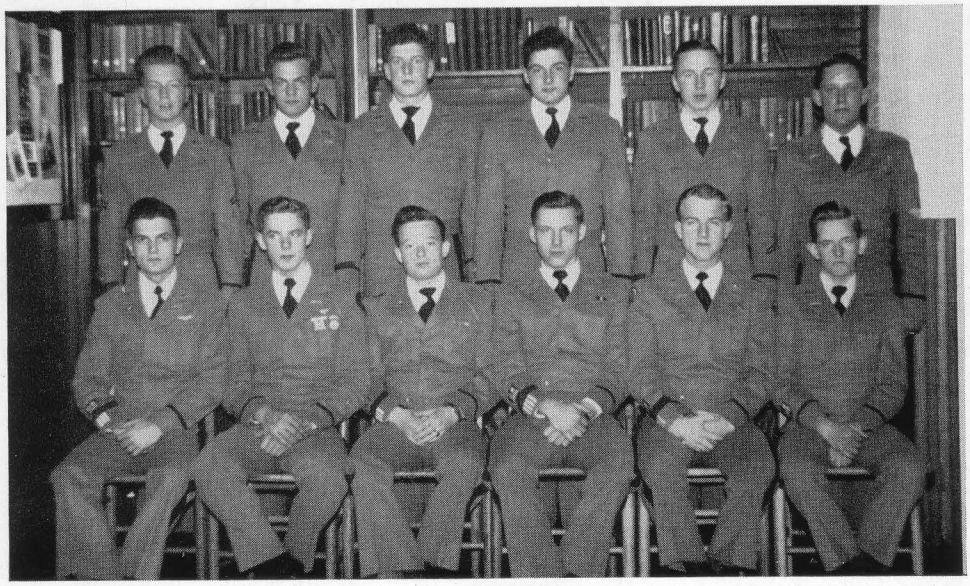

HAROLD JESTER
President

CURTIS LOWE
Vice-President

The apex of the social life at Augusta is the Final Ball. Crowning the year and filling the minds of each cadet with pleasant and fond memories of his life at Augusta. This one ball is considered so important that a president is elected solely for this dance, and he appoints a committee to assist him.

This year, the presidency was in the hands of Cadet Harold Jester and his assistants were Goffigon, Layng, Lowe, J. B. Simmons, St. Clair, Morris, Powell, Winston, Larus, Steele R., Bratton.

The decorating committee also deserves a pat on the back for their extremely good job of bedecking the gym with hundreds and hundreds of yards of crepe paper. All considered the Final Ball of the year 1947 can be considered a success in the superlative degree. The leaders of the figure were Cadet Jester and Jean Hawkins.

Front Row—Goffigon, Layng, Lowe, Jester, Simmons, J. B., St. Clair
Back Row—Morris, Powell, Winston, Larus, Steele, R. Bratton

THE GLEE CLUB

The Augusta Military Academy Glee Club was under the direction of Major Martin G. Manch. Rehearsals were held regularly throughout the school year. At the YMCA Christmas Program the Glee Club gave its first recital. Several times during the school session the Cadet Corps and nearby schools were also afforded the privilege of hearing the cadet talent. Major Manch is to be praised for his efforts to add to the cultural side of cadet life.

Major Hoover	Attempting to run school for Major Roller	Major Roller

CLASS PROPHECY

June 4th, 1957, and here I find myself headed for the Alumni Banquet to be held in honor of the 1947 graduates. Headed South on Route 11, we can see a prominent neon sign. What is it? Well, from here, it looks like it reads "Francis Tokar's Fancy Fort." That calls for a moments stop. I need some Kuniansky Kenetic Energy Kapsules for my new car anyway; you remember Max Kuniansky; if you've been reading the papers lately you'll see that besides his musical career, he has set up a small business for Chemical research. You really wouldn't recognize the old place with it's revolving doors, esculators, etc. The chief floor walker of this massive building is Houff, who is a native of our Fort Defiance. No sooner than we enter we run into Bangsberg, who we can hardly see because of all the brass trimmings on his Admiral of the Fleet uniform. He informs us that his old friend Huntsberry, who is now the worlds largest plastic shoe manufacturer is waiting outside for him, and that he must hurry off to A.M.A. That reminds us that it's getting late and that we must hurry too; after tipping Childs for the nice windshield job, we rush off. As we pull into the grounds, we see to the left the Bowie and Ducey Memorial Football Stadium. I caught a glimpse of the specially constructed esculator which leads to the recent built Augusta Cathedral. We saw Rev. Ben Smith's mail box in front of his home and upon asking of his whereabouts learned that he was at present in the Cathedral holding a baptismal service for Senator Geof Layng's latest son. We parked by the new sunken gardens which were just being completed by the Campbell-Cooke Construction Company. The grounds were thick, but through the noise and general confusion we could hear Conley, S., now assistant commandant, bellowing commands to Major Harrell, the present Batallion Commander. We hear that soon the planes from the Barber-Staunton Airport are to give their aerial show which is to be followed by a Cavalry review supervised by our friend, Mr. Levinson. We had to move off the road to let some white trucks through. To our surprise, we read "Mohler's Mangler Laundry Service," stopping the first truck we see Bobby Rhea step forward to unload what bit of news he knows. He tells us that Jim Grove is the chief "pressor" at the laundry. Mr. "Link" Martain is now running the taxi service between school and Staunton now and his best driver, Diamond, is now passing through the massive iron gates at the front gate bringing that famous Latin-American General, Cuervo, who, by the way contributed the gates. A paper boy is circulating through the crowd, so to help the poor lad out we call him over; well, of all people—Don Heppner. Oh! now we see; he is really a professor of trigonometry at the Academy and is doing this for one of his old jokes. As we glance through the pages we see that Mr. Bob Freshman is editor and Mr. Greenberg is his business manager. Turning to the most important part of any paper we find that our artist, "Boots" Jester is drawing three of the comic strips. On the editorial page we find a list of the people expected at the Banquet and Mr. Cornelius, the prominent tobacco tycoon, is at the top of the list but I don't see him around anywhere. Maybe he couldn't make it but there is one of his closest friends Mr. Howard, who is now managing director of Mr. Field's steel mills. He tells us that the tycoon was called unexpectedly to his largest plantation by it's overseer, Senor Suarez, who told him that a man by the name of Burton, no less, was trying to buy the land. Mr. Burton and his two other partners Mr. Oyler and Mr. Neff are trying to put up a large factory for the manufacturing of synthetic coffee.

Getting back to happenings around school the orchestra for the final ball is "Johnny Pappas and his Rhythm Makers" featuring Curtiss Lowe on the trumpet. The group is one of the best in the nation now and with the composing of Mr. Simmons they make for a good all around riot. And by the way they have a very good vocalist that we all know, a handsome character—Jack Harbison. The band was brought up here through the courtesy of Mr. Bill Woodie who is now running the largest bus line in America. He is also quite "the" one in high society. Our steel tycoon, Mr. Fields says that his former roommate, John Winn is now the holder of the A.A.U. 50 yd. championship. He also takes care of Jack's boats. And here is a real treat, David Marks the professional card sharp is going to give an exhibi-

tion tonight with his understudy, Jack Milstead. These two have been touring the country doing tricks for everyone. In fact, they gave one performance for the great atomic scientist, Dr. Thomas Callahan. We are very glad to see our two Italian friends, Nick Tangorra and Mike Spermo, who are now engaged in the wine industry and from all indications they are doing quite well.

Let's walk around a little more. What's this—some sort of a new modern building where the old P.X. used to stand. Well I'll be, it is a real drug store. And the proprietor is none other than Mr. Jack Humphreys, he just couldn't get enough of the old campus. And sitting in one of the booths is the one who most of us have been looking for, our former first Captain Mike Welch. He is now Ass't Attorney General of the United States. And his Washington buddie is right beside him; Mr. Harry May. He is leader of a large lobbist group. Maybe that is why the two are such real pals. While we are on the subject, Mr. John Warfield is coming into the light for the Presidency due largely to his work as Under Secretary of the Navy. He also is the largest distributor of Ford, Lincoln, and Mercury cars in the nation. John couldn't get here, but his chief adviser, Mr. Lewis Lepper is here in his place. By the way "Lew" has just recently retired from the Navy as Commander of the Pacific Fleet. He was succeeded by Admiral Sumner. Bill has been coming up for quite a while.

Now we leave the exchange and walk toward the Science Hall. You remember the hall don't you? Well, as we see it there have been a few changes made. One in particular, and that is the new ward for the physicopathic cases. The donation was made by the noted Physicologist and Philanthropist, Dr. Tip Eddy. While still in the hall we note the very beautiful hardwood desks with inlaid crib-sheets. These being a most appreciated gift from our Latin-American neighbor, Senor Suarez. I happened to look out of the Big Room window and notice that in place of the old sun-dial, there was a large luminus clock; this device was given by the Bryant Cousins, who are now the managers of Bryant, Bryant and Kilroy, Mickey Mouse watch factory in Lynchburg. It was a little surprising to see the Sunken Gardens overshadowed by five smokestacks, but upon asking about them, we found out that they were given, along with an automatic stoker, by Johnson, I. He is now president of the A.O.I.W.

The new baseball diamond is definitely worthy of acknowledgment, and it is also noticable that the covered bleechers have the words "Dedicated by Rahily Rhodes, Jim Mackey, and Larry Salzman. "Now in case you haven't already heard these fellows have become professional Wrestlers, Basketball, and Football players respectfully. To the right of the bleechers we notice a fieldhouse, this being given by our old mountaineer friend, Mr. Harley Hope, who is now coaching basketball at his home state University. But what is this that meets our ears? Can it be that a bird has invaded the new building so soon. The mystery is solved as the renown whistler, John Herring rounds the corner. And with him comes another famous person, Dr. Harley Davidson. Harley has just recently returned from Europe where he studied in the University of Vienna along with Dr. Michaels, the brain specialist. We decide to stroll out with him and become so enveloped in what he is saying that we almost run into the old camera fiend, George Jackson who is taking a picture of the Governor of N. C., Charles Winston. Charlie came this way not only to attend the Banquet but also to see his dentist, Dr. Kirby, who is now treating Duncan for a broken tooth which he acquired by running into the new clock. Continuing our tour we pass Professor Finn who is now teaching Biology at M.I.T. Where, we hear, Col. Dutton is conducting a military course.

At the banquet we hear speeches by Mr. Crowgey and Mr. Lohman, who are in business together as real estate brokers. At the table we sat next to the noted agricultural expert, Mr. Leslie D. Smith. Neaby sat Glenn Reynolds who has become the successor of Harry James and is now sweeping the country with engagements every night. Last but not least is our old Spanish student, George Meyer who is the Head of the Department of Romance Languages at University of Chicago. Oh, I must be leaving you as there comes my taxi and the C&O is on time for once.

DEDICATED

TO

Maggie Bell Roller Robinson

BY

THE ROYAL MEMBERS

MAJOR H. D. DEANE

Fort Defiance Virginia

Sometimes it is the nature of a craft to create an unbreakable tie between itself and the worker in that field, a heart attachment equal to lifetime devotion. One familiar example is PRINTING. Once editor, once compositor, or pressman catches the spirit of the shop, the spell is seldom broken. Like the odor of a camp fire, or a whiff of salt air, the beloved tang of printer's ink, symbolical of a great profession, gets into your heart and soul. School Annuals, Magazines, Newspapers and Special Printing, all smack of it. It is an invisible link that binds all intelligence together. It is the stimulus for creation in business or romance. This craftsmanship, this devotion to service and alertness to business needs, has nourished and developed enormous industrial vitality and whichever way the course of the future runs, the printer will always find himself able to adapt his helpfulness to new opportunity.

YEARS OF EXPERIENCE HAVE TAUGHT US! PRINTING PAYS US ONLY WHEN IT PAYS YOU!
